A. Course Title:

B. Personal Statement (Brief statement of expertise and/or skill set that you offer for students taking the course(s) you are responsible for teaching):

I am an Assistant in the Department of Obstetrics and Gynecology, Division of Maternal Fetal Medicine at Vanderbilt University Medical Center. I am a board-certified and licensed genetic counselor and I started my position at Vanderbilt in July of 2019. My primary clinical interests include reproductive genetics with an interest in perinatal palliative care. I am not yet involved in any research at Vanderbilt but have an interest in women’s health as a point of entry to non-pregnancy related genetic care. Within the Masters in Genetic Counseling Program, I am involved in curriculum development for the Integrated Cases and have assisted in the Pre-Practicum course.
