

# 2024 ExCEL Scholar Award Competition

Organized by: Excellence in Career Enrichment Leadership (ExCEL) Committee

The Montefiore Einstein Comprehensive Cancer Center (MECCC) ExCEL Committee is pleased to announce the 2024 ExCEL Scholar Award competition. Up to **four** exceptional postdoctoral investigators will be invited to visit Albert Einstein College of Medicine and the MECCC on March 14, 2024 to share their work in a research symposium. Scholars will have the opportunity to network with faculty and trainees to learn more about research being conducted at Einstein.

We seek candidates with outstanding research achievements who have research interests that align with the four core MECCC Research Programs:

Tumor Microenvironment and Metastasis  
Stem Cell and Cancer Biology  
Cancer Therapeutics  
Cancer Epidemiology, Prevention & Control

We specifically encourage women and candidates from historically underrepresented groups to apply. Applicants conducting research in labs in the United States are eligible to apply. Current postdoctoral fellows at Albert Einstein College of Medicine are not eligible.
