Poster Preparation

- Poster Preparation
 - Poster Size: Prepare poster to fit on a 4' H x 6' W poster board. Recommended poster size is 36" H x 48" W.
 - We are trying to keep poster sizes consistent across presenters; however, it is fine if you need to reuse a poster from another event with different size requirements.
 - Poster Format: The content should be visible from a 2-3' distance. Any arrangement is allowable but consider the new "better poster" format - see links below to learn more.
