CONNECT. DISCOVER. ACCELERATE YOUR RESEARCH.

FUEL YOUR RESEARCH
THE VICTR RESOURCE FAIR

Looking to take your research to the next level without the headache? Join us for an energized, open-house event designed especially for researchers at every stage of their journey. Explore the powerful data, tools, and support available through VICTR—and learn how they can help move your research forward faster. No posters, no formal presentations—just the tools and experts you need to succeed.
