

VIGB SEMINAR

WEDNESDAY
OCTOBER 14
12:15 PM
VIA ZOOM

Webinar ID: 916 1478 03320

Password: 464019

SARA LINSE - LUND UNIVERSITY

"SECONDARY NUCLEATION IN AMYLOID FORMATION"

Recommended Reading! [Click on articles to view.](#)

- Secondary nucleation in amyloid formation
- Ultrastructural evidence for self-replication of Alzheimer-associated A β 42 amyloid along the sides of fibrils
- Kinetic fingerprints differentiate the mechanisms of action of anti-A β antibodies

VANDERBILT INSTITUTE *of* CHEMICAL BIOLOGY

Harnessing the Power of Chemistry to Improve Human Health
