

The screenshot shows the SAS Log window titled "SAS - [Log - (Untitled)]". The window has a menu bar with "File", "Edit", "View", "Tools", "Solutions", "Window", and "Help". Below the menu bar is a toolbar with various icons. The log text displays a list of variables in a data file, ordered as follows:

```
The variables in each parcelruns data file appear in this order:  
1 F3ITEM1  
2 F3ITEM2  
3 F3ITEM3  
4 F3ITEM4  
5 F3ITEM5  
6 f1parc1  
7 f1parc2  
8 f1parc3  
9 f1parc4  
10 f2parc1  
11 f2parc2  
12 f2parc3
```
