Below is a list of things that children and teenagers sometimes do, think, or feel when they are dealing with having had cancer. Everyone deals with problems in their own way – some people do a lot of the things on this list or have a bunch of feelings, other people just do or think a few of these things.

Think of all the stressful parts of having had cancer that have been stressful for your daughter lately that you checked off above. For each item below, circle <u>one</u> number from 1 (not at all) to 4 (a lot) that shows **how much** she does or feels these things when she is dealing with problems related to having had cancer, like the ones you indicated above. Please let us know about everything she does, thinks, and feels, even if you don't think it helps make things better.
