

We've partnered with Lyft to provide you transportation

Before you request your ride, enter the promo code in the "Rewards" section of the Lyft app. Applied discount will be displayed on the ride payment screen.

GET THE APP

Download the Lyft app for iPhone or Android. Already have the Lyft app? Go straight to step 3.

CREATE YOUR ACCOUNT

Set up a Lyft account. You'll need to add a credit card, in case your Lyft ride fare is above the credit amount. Any tips will be charged to your credit card, as well.

SUBMIT YOUR INFO

Add the promo code to the "Rewards" section of the Lyft app before you request your ride. You must be in "Personal" mode for the code to apply, and will only need to enter the code one time. You can view applicable code restrictions in the "Payments" section of your app under the "Lyft Pass" header.

- Before requesting a ride, verify your ride payment reflects the discount to ensure your code has successfully applied.
