INAUGURAL SEMINAR

Understanding LGBTQ+ Youth in Times of Change: Research and Personal History

STEPHEN RUSSELL

Department Chair,
Human Development and Family Sciences
Director, School of Human Ecology
University of Texas at Austin

Stephen Russell (he/him) is an expert in adolescent and young adult health, with a focus on sexual orientation and gender identity. He is the Director of the School of Human Ecology at the University of Texas at Austin. His talk will explore developmental understandings of contemporary LGBTQ+ youth and mental health: Why do disparities persist despite social change and acceptance? He will also review the evidence for strategies that create supportive communities, reduce mental health risk, and promote wellbeing for LGBTQ+ youth.
