STUDENT LEADER EXPECTATIONS

STUDENT LEADER EXPECTATIONS

Accountability

- ❖ WELLBEING – Student Org Leaders should prioritize and communicate needs early and often to avoid burnout. You are human first, students second, and then student leaders. Take the time that you need so that you show up as the best version of yourself!
- ❖ BE INFORMED – Learn from past mistakes. Identify all resources that you need early, READ, READ, READ relevant websites and the student handbook. Learn about all processes and procedures relating to student organizations. Attend as many trainings as possible.
- ❖ CONNECT – Meet with previous student officers and current ADVISERS early and often! Learn everything there is to know about your org. Learn as much as you can about your group activities. If you are an outgoing officer, EDUCATE! EDUCATE! EDUCATE! Make sure your new leaders learn everything they need to know.
- ❖ COMMUNICATE – Your team (including your Adviser) should know and understand your plans before they happen. Make sure that you meet, email and ensure understanding. Advisers should be included in every step of your activities. Not just when an issue that can't be fixed arises.
- ❖ RESPECT – Honor student org processes and procedures by following any given steps as instructed by the relative department and meeting deadlines. Ex: Returning the P-card in a timely manner by the same person that checked it out.

STUDENT LEADER EXPECTATIONS

Avoiding Pitfalls

- ❖ MISSED DEADLINES – Missed deadlines can lead to penalties (loss of P-card privileges, org being frozen). Make sure everyone involved follows given deadlines for completing forms or returning items as instructed.
- ❖ DISREGARDING – Organizations that do not follow policies and procedures can put their members and the University at risk and could lead to the group being inactive. We encourage innovative and creative events that are safe and responsible. Keep your Adviser in the loop early and often.
- ❖ NOT SHARING – Student Leaders need a plan to share information with each other. For instance, communication about Student Organization Fund should go to incoming treasurers from last year's applicants. Incoming and outgoing officers need to meet to discuss RSO Registration to accurately answer questions. Not sharing information delays your organization's needs being met and can create long-term issues.
- ❖ TOO MANY COOKS – Too many student leaders involved in a task can create confusion and blur the lines on responsibilities. Leaders can check in but should also trust the person assigned the task. If they need support, they should ask for assistance if necessary. This makes completing tasks much smoother.
- ❖ UNAUTHORIZED APPROVALS – Students should not sign any contract nor make any business approvals on behalf of their organization. Such activities could leave the students and the organization liable for meeting the vendor's needs.
- ❖ OUTDATED ROSTERS – Student Groups need to keep their Anchor Link rosters up to date. Doing so ensures current student leaders have access to reserve space or keeps the student group POM compliant if working with minors.

Internal Communication

Relay Messaging

- ❖ From your organization's Action Center, head to *Roster* in the org tool drawer.
- ❖ Click on the Messaging link in the upper right corner, followed by Create Relay on the page that loads.
- ❖ Select the positions or individual members that you would like to send the message to by selecting Edit... within each component.
- ❖ Enter a title for your relay to identify it later (this does not carry over to your message). When you're finished, click Generate.
- ❖ On the new page, take the Temporary Relay Address (email address in blue text), open a new email in your preferred email account (e.g., Outlook), and add this into the "To" field. Then, just compose and send your message as normal!
- ❖ Remember that messages are sent within the system and then out to an e-mail address if the user has not opted out of receiving messages via e-mail in their notification settings.
- ❖ Visit the [messaging section](#) for more message options.

The image shows a screenshot of the Campus Programming Board Action Center interface. The top left sidebar contains a menu with options: Home, Roster, About, Events, News, Gallery, Documents, Forms, Elections, Finance, and Service Hours. The 'Roster' option is highlighted with a red box and a red arrow. The main content area displays the 'Roster' page for the 'Campus Programming Board' with 3 members. A red arrow points to the 'MESSAGING' button in the top right corner. Below the roster, a 'Select Recipients' dialog is open, showing a list of positions: President (checked), Primary Contact, Publicity Chair, Secretary, Treasurer (checked), Vice President, and Select All. The dialog also includes a search bar and a '3 Eligible Recipients' indicator.

Student Leader Expectations

Preparing New Officers

Create Transition Documents

- ❖ Officer roles should be defined by the organization's constitution and kept up to date on its Anchor Link roster
- ❖ You may also have resources and records to pass down to incoming officers: meeting agendas, budgets, planning timelines, etc.
- ❖ Constitution must also outline membership removal procedure to ensure fairness of practice.

Connect with your Adviser

- ❖ Each administration will need to have a relationship with the organization's adviser. An introduction from the outgoing officer class is a helpful start.
- ❖ It's up to the organization leadership to find their own adviser. If you don't have someone willing to approve registration for the group, you won't be able to submit registration.

Allow Time for Training

- ❖ Officers need a chance to learn the ropes of their roles as well as the group's history.
- ❖ Officer terms of a calendar year (rather than a school year) are strongly recommended. This gives graduating seniors at least a semester to support the new officers and transmit institutional knowledge.

ADVISER EXPECTATIONS

Advising Reminders

- ❖ Students will be responsible for selecting their organization's **Adviser**;
- ❖ Advisers will now be responsible for helping student org leaders manage all aspects of their group;
- ❖ Advisers outside of Student Affairs at Vanderbilt will receive additional support from Student Affairs Liaisons (SAL Pals);
- ❖ Student Affairs Liaisons will be assigned to advisors based on their organization's category:
 - **Academic** (academicorgcoach@vanderbilt.edu)
 - **Arts/Programming** (programmingorgcoach@vanderbilt.edu)
 - **Cultural** (culturalorgcoach@vanderbilt.edu)
 - **Service** (serviceorgcoach@vanderbilt.edu)
 - **Special Interest** (specialinterestorgcoach@vanderbilt.edu)

Translation

- ❖ Student groups will no longer be assigned a student org coach. Students may choose to have their current coach serve as their Advisor. Meet with student leaders to clarify expectations of support;
- ❖ This will be reflected in Anchor Link after the RSO Registration period;
- ❖ Advisers will need to make sure that student groups follow policies and procedures highlighted in the handbook including **POM**. They will work with Student Affairs Administration to handle student org purchasing, travel, and to begin contracts;
- ❖ SOLS will communicate updates to student leaders and coaches prior to arrival.

ADVISER EXPECTATIONS

Adviser's Role

Adviser Role – To assist student org leaders and student groups with finding avenues for activity that is consistent with its mission, compliant with University policy, conducive to every participant's growth and development, and critical to building a sense of community.

Organization Advocate

- ❖ Help student organizations navigate Vanderbilt's structure to help fulfill their mission(s)
- ❖ Provide administrative guidance in planning programs and events
- ❖ Offer continuity from year to year
- ❖ Consult with Office of Student Organizations, Leadership and Service when necessary.
- ❖ Provide advisement as needed

Financial Authority

- ❖ Educate student leaders on appropriate finance practices
- ❖ Authorize financial transactions (check out card/p-card, travel, reimbursement etc.)
- ❖ Help determine org activity for the academic year
- ❖ Guiding officers in the maintenance of accurate records and bookkeeping.

Policy Compliance

- ❖ Educate on, Interpret and enforce University policy concerning student engagement
- ❖ Review and approve organization registration documents
- ❖ Help organizations review and update all governing documents
- ❖ Ensure compliance with Protection of Minors (POM) Policies.

Department Liaison

- ❖ Work closely with SOLS and Student Affairs central to ensure consistency and cohesion with all student engagement practices
- ❖ Raise awareness of unique organizational needs and issues
- ❖ Raise awareness of important student org dates (Student Involvement Fair, Community Service Fair).

ADVISER EXPECTATIONS

Mutual Understanding

- ❖ WELLBEING – Advisers should prioritize and communicate needs early and often to avoid burnout. They are human first, employees second, and then Advisers. Respect the time that they need so that they show up as their best selves! Establish a mutual understanding to ensure an optimal experience.
- ❖ BOUNDARIES – Establish expectations of each other early on so that everyone feels comfortable serving in their roles. Discuss communication, attending meetings, and anything that you and your Adviser are willing/unwilling or able/not able to do to support the organization. Once established, those boundaries must be respected. For instance, no late-night calls should be made to Advisers unless they agreed to receive late night calls.
- ❖ COMMUNICATE REGULARLY – Setting up time to go over organization plans will help you receive the support that you need and keep everyone on the same page. Advisers are a great administrative source. Whether through institutional knowledge, or access to helpful resources, they can help you meet your organization's needs or plan activities accordingly with timely communication.
- ❖ APPROVALS – Advisers will need information from your organization when approving a financial or programmatic request. Protocol requires that you provide the requested information in order to receive any approval for these activities.

STUDENT ORGANIZATION & CONTINGENCY FUNDING

Student Organization Fund Group Structure

- ❖ Student Organization Funding (SOF): funding that is distributed annually to Registered Student Organizations (RSO) that submit budget requests.
- ❖ Comes from a Student Services Fee paid by students.
- ❖ Undergrad – Student Committee appointed by VSG reviews all undergrad SOF applications. The Chair/Co-Chair oversee the entire process and contingency fund process during the school year. They elect a group of students (sub-committee) to assist in reviewing the SOF application.
- ❖ Graduate – Graduate Student Council reviews the applications and suggest allocation amounts for SOF.

STUDENT ORGANIZATION FUND

- ❖ Funding provided to RSOs that complete annual Student Organization Fund application during each spring application period
- ❖ Allocated to student organization's account for their activities throughout the academic year
- ❖ Applications are reviewed and recommendations are made by student-led Student Organization Fund Committee. Final allocations are determined by Dean of Students.
- ❖ Groups are required to keep records of event expenditures in order to apply for SOF (includes tracking attendance through Anchor Link)
- ❖ Application Process
 - Application Process via Anchor Link
 - Interviews
 - Allocation Decisions

CONTINGENCY FUND

- ❖ RSOs may request any time during the academic year
- ❖ Useful for new RSOs that missed the Student Organization Fund application period because of late acceptance
- ❖ Useful for current and new programming that require funding beyond the Student Organization Funds allotted
- ❖ Other funding shortfalls evaluated by Student Organization Funding Committee on a Case-by-case basis
- ❖ Application Process
 - Form to be completed in Student Organization Fund Committee Anchor Link page

Student Organization Fund Restrictions

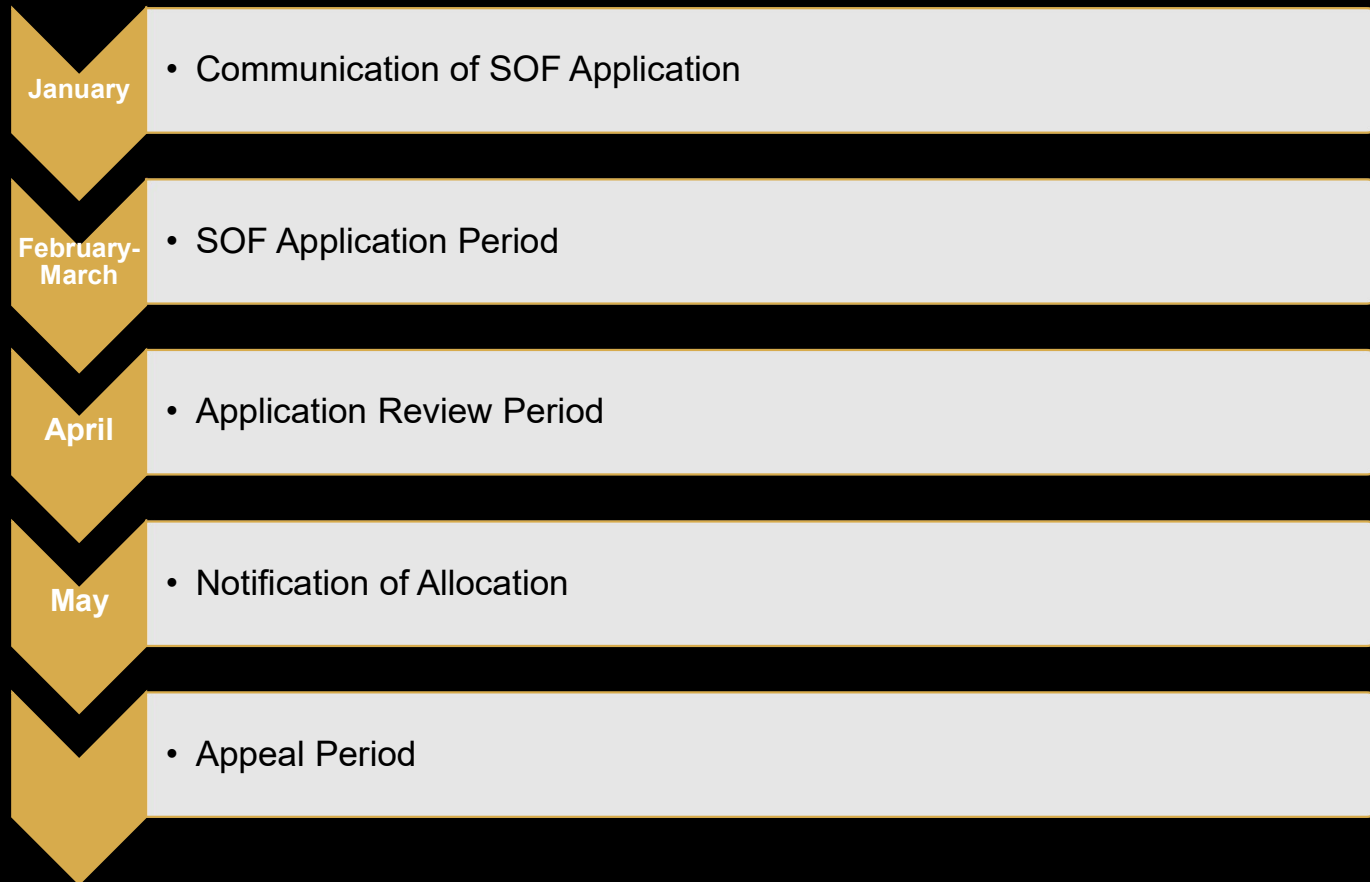

SOF Funding may not be used for the following:

- ❖ Requests to purchasing or supply alcohol or tobacco to students;
- ❖ Requests to pay student leaders or members of the organization for services rendered;
- ❖ Requests for programs which exclude participation or membership to segments of the Vanderbilt population, or where certain groups of students are not fully included in the event;
- ❖ Requests to fund charitable donations or expenses intended to directly and solely benefit non-Vanderbilt students or agencies;
- ❖ Requests for funding to directly maintain or establish a reserve. As of this year, unused funding does not roll over from one year to the next.
- ❖ Requests to fund expenses which serve to sustain and/or benefit only the membership of the petitioning organization (i.e. private parties, T-shirts, etc);
- ❖ Requests to fund travel, unless it is core to the mission of the organization;
- ❖ Questions regarding the Student Organization Fund should be addressed to studentservicesfee@vanderbilt.edu
- ❖ Visit webpage for more details: <https://www.vanderbilt.edu/studentorgs/finances/student-services-fee/>

Student Organization Fund(Contingency Funds)

- ❖ Students need to complete application at least 2 weeks before the money is needed (but not more than a month early);
- ❖ Student chair is expected to respond to the request within 72 business hours, notifying that it was received;
- ❖ 5-10 minute Zoom meeting will be scheduled to discuss the request;
- ❖ Approval/denial will be sent in an email format;
- ❖ If approved, a template will be provided that includes event/program name for which the funds are to be used, description of what the funds are to be used to cover, amount of money provided, and SOF task number to charge.

Student Organization Fund Process

Restrictions on the increased amount of a request will be communicated this semester. More information to come.

PURCHASING AND TRAVEL

Everyone's favorite subjects!

PURCHASING

Advice for Purchasing:

- Confirm funds are available before submitting your Purchase Request in Anchor Link
- Review purchases
 - Are you allowing enough shipping time when ordering from boutique sites (Etsy)?
 - Are you aware we have Amazon business accounts and not Amazon Prime, so shipping will take longer?
 - If you're using a spreadsheet, is it well organized with links that go to the correct location?

- Make sure you create a PDF of your email thread showing the full correspondence of your Adviser's approval.
- Gifts to speakers and committee members should be uniform.
 - VU branded merch
 - Everyone receives the same item
- **Complete the Purchase Request Form 2-4 weeks before you need the items or payment to vendors.**
 - Requests submitted with less than 2-4 weeks' notice may be delayed in payment processing.

Purchasing

- ❖ All purchase requests **MUST** be approved via email by your Student Organization Adviser. You will be required to attach the entire email thread to your Purchase Request form as a PDF.
- ❖ **How to make a purchase:**
 - Complete the [Purchase Request Form](#) in Anchor Link.
 - [In-person \(P-Card\)](#) – Should be reserved at least **two weeks** in advance for pick up in Sarratt 310. For local, in-person purchases only and not online purchases.
 - [Online \(One Card\)](#) – Should be completed **two weeks** in advance. We recommend using common websites such as Amazon, Target, etc. (please note delivery and service charges).
