

How do I add a course image?

Brightspace allows courses on the main page to have course images (widget pictures).

1) First, log into Brightspace and enter the course.

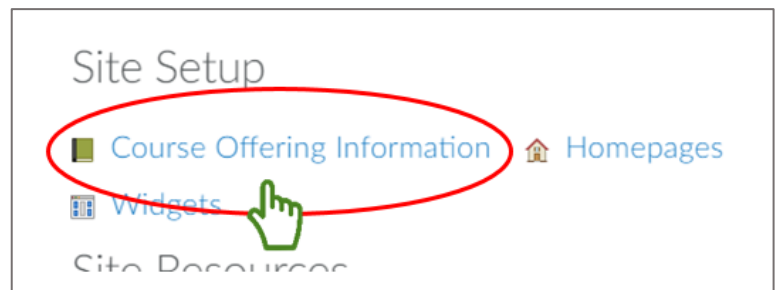

2) In the NavBar, click **Course Admin**.

3) Under **Site Setup**, click **Course Offering Information**.

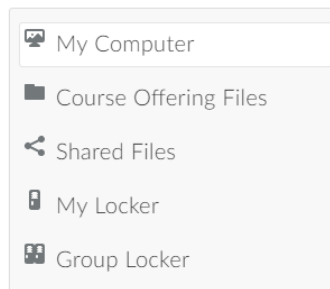

4) Click **Browse** under Welcome Widget Picture.

5) Browse computer or drag and drop photo. Click Add, then Save.
