.....

This form is only for the Summer Internship Subsidy program with the Vanderbilt Career Center. If you are pursuing another type of internship or individual study experience, do NOT use this form. If you need additional space, attach additional pages as necessary.

In addition to this form, you will also need to submit:

- (1) documentation from your internship site or ISSS stating that they require you to receive academic credit
- (2) your results from the required "quiz" found on the Summer Subsidy's website.

This form is due **prior to the last day to enroll in a full-term summer course**. Please see the academic calendar for the exact date.

The course number for Peabody's Summer Subsidy Internship is **PINX 3885**. It is not listed in YES. After the student is enrolled, they will receive a \$200 charge to their online e-bill.

Internship Description:

Description of the Scholarly Project accompanying this experience:

This project can be: a scholarly paper 5-10 pages in length; a series of journal entries summarizing the day's work and reflecting on its place with the field; or another substantive, scholarly project that your supervisor deems relevant. Your supervisor is responsible for grading this scholarly project at the conclusion of your summer experience.
