

CSEO Professional Development Series

Neurodiversity in the Classroom

David Caudel, PhD

In this session, Dr. Caudel will discuss neurodiversity in the classroom. He will discuss how to best create an inclusive environment for neurodiverse (e.g., ADHD, ASD, dyslexia) students, focusing mainly on the needs of those in middle and high school learning environments.

Dr. Caudel is the Associate
Director of The Frist Center for
Autism and Innovation

CSEO and DTL postdocs, staff, and faculty welcome!
