

CSO Postdoctoral Fellow Professional Development Series

Career Options for PhD Scientists

Ashley Brady, PhD

In this session, we will explore the wide variety of career options available to PhD scientists. As an attendee, you will learn how to leverage your background and highlight your translational skills to maximize your potential career options.

Dr. Brady is Assistant Dean of Biomedical Career Engagement and Strategic Partnerships and Assistant Professor of Medical Education and Administration.

CSO and DTL postdocs welcome!

Friday, January 31, 2020

2:30-3:30 PM
