2025 ORAU Ralph E. Powe Junior Faculty Enhancement Awards

Applications due October 10, 2024

Vanderbilt (VU + VUMC): This is a joint competition for VU and VUMC investigators. All investigators should follow these instructions.

Vanderbilt (VU & VUMC combined) can nominate up to **2 assistant professors** for the [2025 Ralph E. Powe Junior Faculty Enhancement Awards](#), sponsored by [Oak Ridge Associated Universities \(ORAU\)](#). The awards provide seed money for research intended to enrich the research and professional growth of young faculty. The award amount is **\$5,000** for one year (June 1-May 31), which can be used for faculty summer salary, graduate student salary, travel, equipment, or other assistance relevant to the faculty member's research. ORAU does not allow overhead charges or indirect costs on the ORAU grant or the university match. Applicants are encouraged to develop research collaborations with government, private-sector, and other academic researchers.

IMPORTANT NOTE: The applicant's institution is required to match the award with at least an additional \$5,000. Applicants must work with the appropriate Dean, Department Chair, or Center Director to obtain a commitment to these matching funds.

Eligibility Criteria:

Awards are restricted to full-time assistant professors within 2 years of their initial tenure track appointment (Jan. 1, 2023 to Jan. 7, 2025) at the time of application. ORAU will recognize circumstances that resulted in a "tenure clock delay".

Research projects must be in one of the five following discipline areas for the 2025 cycle:

- Engineering and Applied Science
- Life Sciences
- Mathematics/Computer Sciences
- Physical Sciences
- Policy, Management, or Education
