WHAT ARE PARENTS AND FAMILY SOCIALS?
Parents and Family Socials are a wonderful opportunity for Vanderbilt families to engage with one another on a regional level and foster deeper VU connections. These small, casual events (usually 10-20 people) are hosted in a restaurant or home. The main goal for these events is to connect local Vanderbilt families!

IN A RESTAURANT

WHAT YOU DO
• Identify a date, time, and location that works best for your schedule.
  ◦ We have found that happy hours and Sunday afternoons tend to work best!
• Coordinate with a local restaurant, brewery or coffee shop to reserve seating (if necessary)
• Send a reminder / welcome email to registrants before the event
• Display signage that shows Vanderbilt's families where to gather.
• Act as the lead volunteer on the day of the event; help facilitate interaction amongst guests.
• Take photos during the social and email them to the Office of Parents & Family Programs.

WHAT WE DO
• Send an email to all parents in your area inviting them to your event
• Maintain registration of the event
• Send you Vanderbilt branded items that you may use at your social
• Notify guest that purchases are the responsibility of the attendees
