Medieval villages, magnificent gastronomy, and magical landscapes
Dear Alumni and Friends,

Venture with us to the château-studded countryside and picturesque villages of the Dordogne region of France. With its fabulous food, wonderful wine, bucolic vineyards, and landscapes interspersed with forests, beaches and rivers, it offers so many things that travelers come to this country for. While enjoying a 13th-century château as your home base, this comprehensive program will provide an intimate, immersive approach to an authentic cultural and culinary experience, including Michelin-starred restaurant meals, a market visit with gourmet food sampling, and excursions for cheese and truffles.

Admire an array of medieval towns, ancient castles, and some of France’s finest prehistoric cave art. Take in the spectacular views of the countryside and the Dordogne River, which proudly holds the title of a UNESCO Biosphere Reserve. The magnificently preserved natural beauty and slower pace of living in this region make it a favorite les grandes vacances for French families, and visitors that return often yearning for more. Disconnect from the urban hustle and relax with like-minded travelers on this journey.

Space is limited. With significant savings of more than $1,000 per couple, we anticipate this tour will fill quickly, so be certain to reserve your spot today and share this brochure with family and friends who may be interested in traveling with you.

Please reserve by contacting the Vanderbilt Travel Office by calling 615.322.3673.

With best wishes,

Cary DeWitt Allyn

Activity Level: Activities are generally not very strenuous, however, we expect that guests can enjoy two hours or more of walking each day, are sure-footed on cobbled and unpaved surfaces, and can walk up and down stairs without assistance. The Château de Mercuès was constructed in the 13th century. While it has been updated to modern standards, its original structure means guests will find stone floors and steps that may not have railings. There is an elevator, but it does not access every floor.
