A World of Discovery

AHI Connects | Meet the People.

Following a satisfying lunch of local flavors, meet some residents of Paestum. Enjoy an engaging dialogue as they discuss their lifestyles and experiences in Italy.

Amalfi Coast. Encounter the magnificent Amalfi coastline with its brightly colored villages and towering cliffs. Begin in Ravello at the elegant Villa Rufolo. This 13th-century villa features a square courtyard, Arab-Norman-style towers, marvelous Oriental arcades and magnificent gardens. Continue to Amalfi town and take a tour that introduces you to the Duomo di Sant' Andrea and the buzzing piazza. Enjoy free time to craft your own path in Amalfi. Next, board a boat for a scenic ride to Positano, Italy's most vertical town. Soak up views of the dreamy coastline along the way. Upon arrival, take a walking tour and witness Positano's winding lanes that lead to tranquil squares, boutique shops, art galleries and family-owned restaurants.

Paestum. Stroll through history today in this Grec-Roman city that was overgrown by vegetation and forgotten for 1,000 years. These incredible UNESCO-listed ruins feature well-preserved Greek temples, ancient defensive walls and the remains of Doric-style temples thought to be dedicated to Hera, Neptune and Ceres.

Naples & the Museo Archeologico Nazionale.

Enjoy a thought-provoking tour of this world-renowned museum, known for its collection of art and objects from Pompeii and Herculaneum. After a tour of the museum, take a panoramic tour of Naples. Enjoy views of the azure Bay of Naples from Posillipo Hill and celebrate the day over a lunch of Neopolitan pizza!

Pompeii & Herculaneum. Spend a full day exploring the timeless Roman cities of Pompeii and Herculaneum, which were destroyed when Mount Vesuvius erupted in A.D. 79. The seaside town of Herculaneum was preserved by mudflows while Pompeii, the larger of the two cities, was covered by ash. The resulting preservation of these cities is unlike anything else! From mosaics to furniture and frescoes, unearth a captivating history lesson like no other!

Green Side of Sorrento. Get a taste of Southern Italy during a journey inland where skilled agriculturists have a passion for their land. Visit a traditional family-owned farm. Tour groves of olive trees and learn about the production of olive oil. Observe the process of making delicious *fior di latte*, a semi-soft cheese. Sample this traditional treat and other local products.
