Vanderbilt's District Impact Report showcases the university's economic and cultural contributions to communities in each of Tennessee's nine congressional districts. While the data is not exhaustive, the aim is to highlight the significant impact the university has across the state.

Note: Data associated with a zip code represented by multiple districts is counted once for each district. Vanderbilt University's FY 2024 runs July 1, 2023–June 30, 2024. This data was compiled by the Division of Government and Community Relations in partnership with the Office of Data and Strategic Analytics.
