What you'll learn

Welcome to our *Nano Tips* series, where LinkedIn Learning creators deliver impactful lessons in literally seconds. In this installment, B2B sales expert and consultant Ravi Rajani offers tips on how to enhance your communication skills by allowing your charisma to support you in being more persuasive and building real connection with your audience. Find out how to respond to a question when you don't know the answer and how to accept and give compliments gracefully. Learn how asking meaningful questions can help you build great relationships. Discover how to become a charismatic storyteller, communicate your ideas well under pressure, and become the most interesting person in any room. Get body language tips for boosting your charisma. Plus, explore ways to avoid charisma-crushing behaviors. With these concise lessons, you can fit learning into even your busiest days.
