

**CURRICULUM VITAE**

**George B. Wanna, M.D., FACS**

**Department of Otolaryngology-Head and Neck Surgery**

**Division of Neurotology**

**The Bill Wilkerson Center for Otolaryngology & Communication Sciences**

**1215 21<sup>st</sup> Avenue South**

**7209 Medical Center East · South Tower**

**Nashville, Tennessee 37232-8605**

**JUNE, 2014**

**CURRICULUM VITAE**  
**GEORGE WANNA, M.D., FACS**

**PERSONAL INFORMATION**

Business Address: The Vanderbilt Bill Wilkerson Center for Otolaryngology and  
Communication Sciences  
Department of Otolaryngology-Head & Neck Surgery  
1215 21<sup>st</sup> Avenue South  
7209 Medical Center East· South Tower  
Nashville, Tennessee 37232-8605  
Academic: 615-875-1262  
Clinical: 615-322-6180  
Fax: 615-343-9725  
E-Mail: [george.wanna@vanderbilt.edu](mailto:george.wanna@vanderbilt.edu)

Date of Birth: February 1, 1973  
Citizenship: United States of America

**EDUCATION**

Medicine: Doctor of Medicine  
Lebanese University  
Beirut, Lebanon  
June 1998

**POST-GRADUATE TRAINING**

Residency: Otolaryngology  
Sacred Heart University Hospital  
Baabda-Lebanon/ Paul Sabatier University  
Toulouse, France  
1998-2002

Otolaryngology  
Mt. Sinai Medical Center  
New York, New York  
2003-2008

Fellowship: Post Doctorate Research Fellow in Neurotology  
Department of Otolaryngology  
Columbia University Medical Center  
New York, New York  
07- 2002 – 10-2002

Otology/Neurotology Fellow  
Department of Otolaryngology  
CHU Purpan  
Toulouse, France  
2002-2003

Fellowship: Neurotology/Skull Base Fellow  
(Continued) The Otology Group of Vanderbilt  
Nashville, Tennessee  
2008-2010

**LICENSURE** Tennessee  
2010-Present  
License Number: MD45898

**BOARD CERTIFICATION** Diplomate, American Board of Otolaryngology, 2009  
Diplomate, American Board of Otolaryngology [Neurotology], 2011

**ACADEMIC APPOINTMENTS**

*Associate Professor*  
Vanderbilt Bill Wilkerson Center for Otolaryngology and Communication Sciences  
Vanderbilt University School of Medicine  
July 1, 2014-Present

*Assistant Professor*  
Vanderbilt Bill Wilkerson Center for Otolaryngology and Communication Sciences  
Vanderbilt University School of Medicine  
July 1, 2010- June 30, 2014

*Associate Program Director, Neurotology Fellowship*  
Vanderbilt Bill Wilkerson Center for Otolaryngology and Communication Sciences  
Vanderbilt University School of Medicine  
July 1, 2011-Present

*Director, Skull Base Radiosurgery*  
The Otology Group of Vanderbilt  
Vanderbilt University School of Medicine  
July 1, 2011-Present

**HOSPITAL APPOINTMENTS**

2010-Present Full-Time Faculty  
Vanderbilt University Medical Center  
1211 Medical Center Drive  
Nashville, Tennessee 37232-0002

2010-Present Full-Time Faculty  
Monroe Carell Jr. Children's Hospital at Vanderbilt  
2200 Children's Way  
Nashville, Tennessee 37232

2010-2013 Active Staff  
St. Thomas Hospital  
4220 Harding Road  
Nashville, Tennessee 37205

### **HOSPITAL APPOINTMENTS**(CONTINUED)

2010-2013           Active Staff  
                          St. Thomas Surgicare  
                          4230 Harding Road  
                          Nashville, Tennessee 37205

### **PROFESSIONAL ORGANIZATIONS**

2006-Present       Fellow, American Academy of Otolaryngology-Head & Neck Surgery  
                          (AAO-HNS)  
2012-Present       Member Otolology/Neurotology Education Committee, AAO-HNS, 2012-2016  
2014-Present       Member Skull Base Surgery Committee, AAO-HNS, 2014-2016  
2011-Present       Fellow, American Neurotology Society (ANS)  
2014- Present       Fellow, The American Laryngological, Rhinological and Otological Society, Inc.  
                          (Triological Society)  
2012-Present       Member, Acoustic Neuroma Association Center of Excellence (ANA)  
2012-Present       Member, Otosclerosis Study Group  
2013-Present       Member, North American Skull Base Society  
2013-Present       Fellow, American College of Surgeons  
2013- Present       Member, Politzer Society

### **HONORS AND AWARDS**

2001                First Prize for Resident Research Day Symposium, Lebanon  
                          “Lebanese experience of cochlear implant.”  
2002                Best presentation at Groupe d’Étude des Maladies de l’Oreille (Group Study of  
                          Diseases of the Ear, G.E.M.O. Meeting, Méribel, France  
                          Malignant Otosclerosis: Stapedotomy or Cochlear Implant?  
2005                Travel Grant, AAO-HNS  
2005                Nominee for Best Physician at Mt. Sinai Hospital – NYC  
2006                1<sup>st</sup> Prize, First Metropolitan New York Resident Research Day Symposium  
                          “Interleukin-12 Expression Enhances Vesicular Stomatitis Virus Oncolytic  
                          Therapy in Murine Squamous Cell Carcinoma” New York, NY  
2014                Harris P. Mosher Award from the Triological Society. “This honor was created to  
                          perpetuate the ideals of the great teacher for whom it was named and to bestow  
                          upon a worthy recipient the responsibility of furthering the highest standards of  
                          perfection in the study, teaching and practice of Otolaryngology.”

### **ACADEMIC ACTIVITIES**

- Vanderbilt Otolaryngology Education Committee, 2011-present
- Faculty, Basic Science Lecture Series, Otolaryngology Residents
  - “Treatment of Balance Disturbances,” October 2009
  - “Otosclerosis,” September 2010
  - “Chronic Ear Disease,” November 2010
  - “Facial Nerve Disorders,” November 2010
  - “Vertigo,” November 2011
  - “Otoscopy” February 2012
  - “ Middle Fossa Approach” March 2013
  - “ Cholesteatoma” October 2013
  - “ Conductive Hearing Loss” November 2013
  - “ Sensorineural Hearing Loss” November 2013

## ACADEMIC ACTIVITIES (CONTINUED)

- Faculty, Resident Lecture Series, Neurotology Fellows and Faculty
  - “Classification of Cholesteatoma,” March 2010
  - “Management of Acoustic Neuroma,” July 2010
  - “Research Update,” October 2010
  - “Otosclerosis and Imaging,” March 2011
  - “Radiosurgery for Acoustic Neuroma,” August 2011
  - “Contemporary management of glomus tumor” May 2012
  - “Ménière’s Disease update” July 2012
  - “Neurotology-Skull base case presentations” December 2012
  - “Research Update” May 2013
  - “Neurotology-Skull Base case presentations” November 2013
  - “Impact of type of electrodes and surgery on CI patients Outcomes” April 2014
- Faculty, Temporal Bone Course, Vanderbilt University Medical Center
  - “Canal Wall Down Mastoidectomy,” October 2009
  - “Canal Wall Down Mastoidectomy,” October 2010
  - “Canal Wall Down Mastoidectomy,” October 2011
  - “New Implantable Technologies; Symphono & Ponto,” October 2011
  - “Canal Wall Down Mastoidectomy,” October 2012
  - “New Implantable Technologies; Symphono & Ponto,” October 2012
  - “Canal Wall Down Mastoidectomy,” October 2013
  - “New Implantable Technologies; Symphono & Ponto,” October 2013
- Faculty, Endoscopic Middle Ear Surgery Course, Vanderbilt University Medical Center
  - “Endoscopic Approach to Superior Semicircular Canal Fistula,” April 2014
- Active Research on the Use of CELA in the Training of Otolaryngology Residents. 2011-present
- Preceptor for Medical Student Course, Continuity Clinical Experience [CCX], Vanderbilt University School of Medicine 2013-present
- Member, Program Committee of North America Skull Base Society(NASBS) 2014-2015
- Member, Vanderbilt Initiative in Surgery and Engineering (VISE). 2012-present
- Member, Vanderbilt Medical Economic Outcome Committee (MEOC).2014-present
- Member, Clinical Competence Committee of Otolaryngology 2013-present
- Member, Program Evaluation Committee of Otolaryngology 2013-present
- Member, Program Evaluation Committee of Neurotology 2013-present
- Member, Clinical Competence Committee of Neurotology 2013-present
- Physician Supervisor, Ken Watford, D.N.P., N.P. 2013-present
- Thesis: “*The Impact of Electrode Type and Surgical Approach on Scalar Electrode Location and Hearing Outcomes in Cochlear Implantation*” submitted to the Triological Society Council, August 2013.
- Faculty Coordinator, Residency Application Process, 2013-present
- Teaching and mentoring medical students, Vanderbilt University School of Medicine
- Mentor and involved in the training of all senior and chief residents on an individual, one-on-one, and fellowship rotation in Otology and Neurotology, Vanderbilt University Medical Center
- Mentor and involved in the training of 5 Fellows in Otology and Neurotology, The Otology Group of Nashville
  - 2009-2011, Alejandro Rivas, MD - Assistant Professor, Vanderbilt University Medical Center
  - 2010-2012, Betty Tsai, MD - Assistant Professor, University of Oklahoma
  - 2011-2013, Stan Pelosi, MD - Attending, New York Ear and Eye Infirmary
  - 2012-2014, Matthew Carlson, MD - Assistant Professor, Mayo Clinic
  - 2013-2015, Alex Sweeney, MD - Current Fellow

### **CONSULTING**

- Oticon Medical, LLC  
580 Howard Avenue  
Somerset, NJ 08873 USA  
2013 - 2014

### **VISITING PROFESSORSHIPS**

The Faculty of Medical Sciences Lebanese University  
Beirut, Lebanon  
Invited Guest Speaker, Resident Graduation  
July 2010

Department of Otolaryngology-Head and Neck Surgery  
Mt. Sinai Medical Center  
New York, New York  
Invited Guest Speaker, Grand Rounds  
November 2010

The Faculty of Medical Sciences Lebanese University  
Beirut, Lebanon  
Invited Guest Speaker, National ENT meeting  
December 2011

Department of Otolaryngology-Head and Neck Surgery  
University of Montreal  
Montreal, Canada  
Invited Visiting Professor  
November 2012

### **INSTRUCTIONAL COURSES (PEER-REVIEWED) - FACULTY**

- Instructor, American Academy of Otolaryngology-Head and Neck Surgery
  - “Current Trend in the Management of Sudden Hearing Loss,” September 13, 2011
  - “Chronic Ear Disease: Surgical Decisions and Techniques,” September 14, 2011
  - “Avoiding Complications in Chronic Ear Surgery,” September 14, 2011
- Instructor, American Academy of Otolaryngology-Head and Neck Surgery
  - “Current Trends in the Management of Sudden Hearing Loss,” September 10, 2012
  - “Avoiding Complications in Chronic Ear Surgery,” September 11, 2012
- Instructor, American Academy of Otolaryngology-Head and Neck Surgery
  - “Current Trends in the Management of Sudden Hearing Loss,” September 30, 2013
  - “Avoiding Complications in Chronic Ear Surgery,” October 1, 2013
- Instructor, American Academy of Otolaryngology-Head and Neck Surgery
  - “Chronic Ear Disease: Surgical Decisions and Techniques,” September 21, 2014
  - “Current Trends in the Management of Jugular Paragangliomas” September 23, 2014

### **MINISEMINAR (PEER-REVIEWED) - FACULTY**

- Panelist, American Academy of Otolaryngology-Head and Neck Surgery
  - Sudden Sensorineural Hearing Loss: What Every Otolaryngologist Should Know,”  
September 24, 2014

### **INSTRUCTIONAL COURSES (NON PEER-REVIEWED) - FACULTY**

- Instructor, Temporal Bone Surgical Dissection Course and Ear Symposium, The Otology Group of Vanderbilt
  - October 9-11, 2008
  - October 15-17, 2009
  - October 14-16, 2010
  - October 15-17, 2011
  - October 11-13, 2012
  - October 10-13, 2013
- Instructor, Endoscopic Middle Ear Surgery Dissection Course. The Otology Group of Vanderbilt
  - April 11-12, 2014

### **INVITED PRESENTATIONS**

- 2009            American Hearing Association Education Summit  
                  “Cochlear Implant in 2009”  
                  Nashville, Tennessee
- 2010            Blanchfield Army Community Hospital  
                  Medical Grand Rounds  
                  “Chronic Ear Disease”  
                  Ft. Campbell, Kentucky  
                  December 9, 2010
- 2011            Tennessee Hearing Association Annual Meeting  
                  “Bridging the Gap between Hearing Aids and Cochlear Implants”  
                  Pigeon Forge, Tennessee  
                  May 14, 2011
- 2011            Vanderbilt University Medical Center  
                  Department of Hearing & Speech Sciences Grand Rounds  
                  “Vertigo”  
                  August 3, 2011
- Harton Regional Medical Center  
                  Medical Grand Rounds  
                  “Conductive Hearing Loss”  
                  Tullahoma, Tennessee  
                  September 8, 2011
- 2012            Cumberland Regional Medical Center  
                  Medical Grand Rounds  
                  “Hearing Loss”  
                  Crossville, Tennessee  
                  June 5, 2012
- Vanderbilt University Medical Center  
                  Department of Hearing & Speech Sciences Grand Rounds  
                  “Vertigo”  
                  July 31, 2012

**INVITED PRESENTATIONS** (CONTINUED)

2012 University of Montreal-Canada  
Department of Otolaryngology-Head and Neck Surgery, Temporal Bone Course  
“Avoiding Complications in Chronic Ear Surgeries”  
“Contemporary Management of Glomus Jugulare”  
November 24-25, 2012

Hearing Health Seminar from Cochlear  
“Cochlear Implant in the Elderly”  
Embassy Suites Nashville South/Cool Springs  
September 29, 2012

2013 Oticon Medical Scientific Meeting  
Bone Anchored Hearing Aid  
“Soft Tissue Surgery for BAHA”  
Copenhagen, Denmark  
March 17-March 20, 2013

Vanderbilt University Medical Center  
Department of Hearing & Speech Sciences Grand Rounds  
“Vertigo”  
July 31, 2013

2014 Sisson International Otolaryngology Workshop  
“Management of Sudden Hearing Loss”  
Vail, Colorado  
February 2-7, 2014

11<sup>th</sup> International Wullstein Ear Symposium  
“Cochlear Implant in Accoustic Neuroma”  
Würzburg, Germany  
February 24-26, 2014

Mosher Award For Triological Thesis  
“The impact of electrode type and surgical approach on scalar electrode location  
and hearing outcomes in cochlear implantation”  
Las Vegas, Nevada  
May 14-18, 2014

**Service**

Jamaica Humanitarian Mission at Jamaica Christian School of the Deaf, with support from Mission Discovery and Songs for Sound (in preparation), Leading Surgeon (2012-present)

Kenya Humanitarian Mission, with support from Songs for Sound (in preparation), Co-leading Surgeon (2013-present)

Songs for Sound, Volunteer (2012-present)

### **Postgraduate Courses Attended**

- Linac Radiosurgery Course for Certification
  - May 2010, Chicago IL
- Envoy Esteem® Course on Middle Ear Implants
  - August 2010, Minneapolis MN
  - November 2010, Minneapolis MN
- Anspach Skull Base Course
  - November 2010, Palm Beach Gardens FL
- The Maxum System Course on Middle Ear Implants
  - January 2011, Houston TX

### **CURRENT RESEARCH**

#### **Principal Investigator**

- Molded Hydrogel Tympanic Membrane Repair Constructs in Chinchillas; 2/1/2012-present.
- The Diagnostic Sensitivity of Computed Tomography and Magnetic Resonance Imaging in Adult Cochlear Implant Candidates; 1/14/2014-present.
- Vestibular Rehabilitation Outcomes in Patients with Isolated Utricular Dysfunction; 1/25/2012-present
- Management of Pediatric Cerebellopontine Angle Lesion; 9/13/2012-present
- Endolymphatic Sac Tumors: Clinical Features, Management and Outcomes; 8/01/2012- present
- Subtotally Resected Jugular Paraganglioma: Observation vs. Radiosurgery; 11/05/2012-present
- Glomus Tympanicum, Evolving Treatment Strategies; 3/12/13-present
- Transtemporal Repair of Middle Ear and Mastoid Encephaloceles and CSF Fistula; 7/23/2012-present
- Stapes surgery in the pediatric population; 7/18/2012- present
- Refractory Eustachian Tube Dysfunction: Are the symptoms related to endolymphatic hydrops? Prospective study; 2012-2013
- Radiographic Evidence of Lateral Semicircular Canal Fistula; 7/3/2012- present
- Pediatric Assessment of Electrode Placement and Audiologic Outcomes in Bilateral Cochlear Implantation ; 12/30/2010-1/25/2013
- Assessment Treatment Outcomes for Acoustic Neuroma Patients; 6/21/2011-6/28/2013
- Nanoparticles in the Treatment of Ménière's Disease: *In Vivo* Prospective Study , 2011- present
- Cost of Stapes Surgery with Laser vs. No Laser and Outcome Analysis; 01/25/2011-present
- Monaural Auditory Performance Before and After Sequential Bilateral Cochlear Implantation; 11/23/11-present.
- Current Trends in Management of Glomus Jugulare; 10/12/2010
- Evaluation of Facial Nerve Schwannomas; 10/07/2010
- Contemporary Management of Intracranial Complications of Otitis Media; 03/02/2009

#### **Co-Investigator**

- Pediatric Percutaneous Cochlear Implantation: *In-Vivo* Validation of Technique (PI-Robert Labadie); 05/12/2010-4/24/2013
- Percutaneous Cochlear Implantation: Implementation of Technique ( PI Robert Labadie); 8/10/2011-11/11/2013
- Mastoid Bone Drilling Using Miniature Drill Press (PI-Robert Labadie); 09/29/2009-10/16/2013

### **Co-Investigator** (CONTINUED)

- Clinical Validation and Testing of Percutaneous Cochlear Implantation (NIH: NIDCD, PI-Robert Labadie). 1R01DC008408-02, (2.5% effort); 04/01/2007-11/30/2012
- Assessment of Electrode Placement and Audiologic Outcomes in Bilateral Cochlear Implantation (PI-Robert Labadie). 2/12/2009-01//17/2013
- Less invasive, safer, and more accurate access to surgical sites within the skull can be achieved by combining image-guided surgical techniques and miniature parallel robots directly attached to the bone. This represents an extreme paradigm shift from the current imprecise manual procedures where both safety and efficacy fundamentally rely on human hand-eye coordination and memory (PI: Webster); 7/1/2011 – 6/30/2016
- Health Care Provider Perceptions of Self-Report Dizziness Disability/Handicap (PI Gary Jacobson); 8/20/2012-6/7/2013
- Preoperative Facial Weakness and Postoperative Outcomes after Surgery for Vestibular Schwannoma; (PI- Stan Pelosi) 10/29/2012-present
- Tympanoplasty: The Vanderbilt Experience (PI Alejandro Rivas); 8/1/2012-present
- Hearing Preservation and Radiologic Characteristics in Vestibular Schwannomas Undergoing Observation (PI Marc Bennett); 2/20/2012
- Evaluation of a Revised Indication for Determining Adult Cochlear Implant Candidacy (PI David Haynes); 5/4/2011-7/23/2013
- Evaluation of Skull Base Tumor Surgical Complications (PI Alejandro Rivas); 5/27/2011
- Evaluation of Temporal Bone Malignancies (PI Marc Bennett);5/25/2011
- Cochlear implants in patients with Ménière's Disease (PI Marc Bennett);7/21/2011
- Cochlear Implantation and Balance Function (PI Marc Bennett);6/21/2011
- Evaluation of Superior Semicircular Canal Dehiscence(PI Marc Bennett);7/21/2011
- Functional Outcomes in Patients Treated with LINAC-based Fractionated Stereotactic Radiotherapy for Acoustic Neuroma (PI-Tony Cmelak); 12/17/2010
- Intratympanic Steroid Injection in the Treatment of Ménière's Disease (PI-Marc Bennett); 07/23/2010
- Improving the Quality and Utility of The Otology Group of Vanderbilt's Record-Keeping System by Developing Software that Both Consolidates Patient Records from Vanderbilt and St. Thomas Hospitals into a Single Database and Also Helps Physicians Better Track and Analyze Patient Outcomes (PI-Michael Glasscock); 09/16/2009

### **GRANTS**

1. Safe, Rapid Access to the Internal Auditory Canal for Acoustic Neuroma (NIH: NIDCD, Co-Investigator 5% effort). 1R01DC012593-01A1 2/15/2013 – 1/31/2017
2. Clinical Validation and Testing of Percutaneous Cochlear Implantation (NIH: NIDCD, Co Investigator 0.75 % effort). 2R01DC008408-05 A1 7/1/06 – 6/30/17
3. Pediatric Assessment of Electrode Placement and Audiologic Outcomes in Bilateral Cochlear Implantation; VICTR grant: VR1578. (2012)
4. Noise Exposure; VICTR grant: VR6417. (2013)
5. Molded Hydrogel Tympanic Membrane Repair Constructs in Chinchillas; 2/1/2012-present (SBIR R 43, R 44 Co PI submitted 10% effort) 7/1/13 – 6/30/15
6. Combined Electric and Binaural Acoustic Hearing (NIH NIDCD, Collaborator). R01 DC009404 12/1/2009- 11/30/2014
7. Relationship Between Speech Perception Ability, Cortical Responses, and Imaging in Adult CI Recipients with AN/AD and with SNHL. 9/1/2012 – 8/31/2013

## GRANTS(CONTINUED)

8. Image-Guided Endolymphatic Sac Surgery (NIH: NIDCD, Co-Investigator 5% effort). 1R01DC014098-01 submitted 11/12/2013
9. 104-201102 A Prospective, Randomized, Double-Blind, Placebo-Controlled, Multicenter, Phase 2b Study of OTO-104 Given as a Single Intratympanic Injection in Subjects with Unilateral Meniere's Disease.

## FACULTY ADVISOR

Use of MRI in Predicting Need for Second-Look Cholesteatoma Surgery, (faculty advisor, 1.5% effort; PI-Betty Tsai, MD); 7/11/2011 – 6/30/2012

Preoperative facial weakness and postoperative outcomes after surgery for vestibular schwannoma (Faculty advisor, 1.5% effort; PI-Stan Pelosi, MD); 10/29/2012-6/30/2013

Current trends on the management of glomus jugulare (Faculty advisor to Alex Sweeney MD)

## OTHER

Peer Reviewer, *Laryngoscope*: 2011- Present

Peer Reviewer, *Otology Neurotology*: 2011- Present

Peer Reviewer, *Archives of Otolaryngology*: 2011- Present

Peer Reviewer, *European Archives Oto- Rhinologyngology Head & Neck*: 2013-Present

Peer Reviewer, *Journal of Pediatrics*: 2013-Present

Peer Reviewer, *International Journal of Pediatrics ENT*: 2012-Present
