Current Political Science GPA_____

Thesis Chair's Name_____

Thesis Chair's Signature_____

Tentative thesis title_____

1. Briefly explain your proposed thesis topic, including your research question.

2. Briefly explain your current plan for the data to use, or, if still unsure, for finding data (or if this is not relevant to your thesis plan, why this is not relevant).

3. Do you plan to write a separate thesis in any other department/ program? If yes, which?

4. Why you are interested in writing a thesis?

5. Please list all coursework that you believe has prepared you to write about the topic area of your thesis.

6. Please list all coursework that you believe has prepared you to perform the research necessary for the thesis (e.g. statistics, data science, game theory, research design, or other research methods classes).
