

## INTERNSHIP OPPORTUNITIES IN SHANGHAI (Remote)

**STEPPING STONES** (上海闵行区华漕铺路石青少年发展中心)

<https://www.steppingstones.cn/volunteer/intern-vacancy/#Home> is a non-profit organization registered in Shanghai. With a mission to improve the education and general welfare of disadvantaged children in China, Stepping Stones has hosted numerous programs focused on children's education and well-being since 2006. Stepping Stones recruits, trains, and supports about 1,000 volunteers/interns per year to help children and youth discover the joy of learning a foreign language, digital literacy, and other subjects critical to their holistic development. We also provide professional training to foreign language teachers.

Our program delivers more than 8,000 lessons to around 6,000 students each year in 10 provinces. Students who participate in our program show increased interest and confidence in their studies, which improves their access to educational and work opportunities in the future. Additionally, students are exposed to different cultures, and get early exposure to volunteer/internship programs and volunteering spirit.
