

STUDENT FEELINGS ABOUT MATH

SPRING 2014

STUDENT NAME/ID:

DATE:

How often do you feel each statement is true for you?					
Feelings About Math	Always	Most of the time	Sometimes Yes and Sometimes No	Not very often	Never
1. I do well in math					
2. Math is interesting to me					
3. I feel sure I can do the math homework even when it's hard					
4. I learn things quickly in math					
5. Even if a new topic in math is hard, I am sure I can learn it					
6. If I don't understand something, my math teacher helps me					
7. I enjoy doing work in math					
8. My math teacher cares about me					
9. I am sure that I can learn everything taught in math					
10. My math teacher thinks I am good in math
