

## NARULA INSTITUTE OF TECHNOLOGY

Peer evaluation report for: Rudraprasad Bhattacharyya  
 Designation: Assistant Professor  
 Department: Civil Engineering  
 Evaluation period: 17<sup>th</sup> September 2012 to 1<sup>st</sup> March 2013

No	Question	Date: 19 Sept 2012	Date: 08 Nov 2012	Date: 11 Feb 2013
<b>Knowledge of subject</b>				
1	Does the instructor exhibit knowledge & mastery of content?	Y	Y	Y
2	Is the level of material appropriate to course & students?	IR	IR	Y
3	Does the instructor emphasize a conceptual grasp of material?	Y	Y	Y
4	Is this content considered important with discipline?	Y	Y	Y
<b>Organization and clarity of presentation</b>				
5	Does the instructor establish the relevance of new information?	IR	Y	Y
6	Link new material to previously learned concepts?	Y	Y	Y
7	Sequence the content logically?	IR	Y	Y
8	Distinguish major from minor points?	N	Y	Y
9	Provide periodic summaries of the most important ideas?	N	Y	Y
10	Define new concepts clearly?	Y	Y	Y
11	Provide appropriate examples & illustrations of difficult ideas?	IR	Y	Y
12	Use of visual aids and handouts to accompany verbal presentation?	N	IR	Y
13	Speak loudly enough to be heard throughout the class room?	N	IR	Y
14	Does the instructor speak at an appropriate rate for note-taking?	NA	NA	NA
<b>Teaching Strategies</b>				
15	Does the instructor use active learning techniques?	Y	Y	Y
16	Are teaching methods appropriate to the goals of the class?	IR	Y	Y
17	Do students have chances to discuss or apply concepts during class?	N	Y	Y

  
 05/03/2013

  
 05.03.13.

18	If discussion is used, does it stay focused on class goals?	NA	NA	NA
19	Does instructor provide periodic restatements of discussion points?	N	IR	Y
20	Does instructor record student comments on the board/overhead?	N	N	NA
<b>Answering and asking questions</b>				
21	Are student questions welcomed and responded to effectively?	IR	Y	Y
22	Do students seem comfortable asking questions?	Y	Y	Y
23	Does the instructor repeat student questions so all can hear?	N	N	N
24	Does the instructor ask questions periodically?	N	N	Y
25	Do questions require thinking analytically?	N	IR	Y
26	Does the instructor use enough "wait time" to allow for response?	NA	NA	NA
27	Are the answers repeated for clarity?	Y	Y	Y
<b>Teacher-Student rapport</b>				
28	Does the instructor maintain eye contact with students?	IR	Y	Y
29	Move around the room periodically to maintain student attention?	N	IR	Y
30	Respond to student questions or comments with respect?	Y	Y	Y
