## Moral Courage Scale for Physicians (MCSP)

**Instructions:** Please indicate the extent of your agreement or disagreement with each of the following statements.

	Strongly Disagree	Moderately Disagree	Slightly Disagree	Neutral	Slightly Agree	Moderately Agree	Strongly Agree
1. I do what is right for my patients, even if I experience opposing social pressures (e.g., opposition from senior members of the healthcare team, medical guidelines, etc.).							
2. I use a guiding set of principles from my profession to help determine the right thing to do for my patients.							
3. My patients and colleagues can rely on me to exemplify moral behavior.							
4. I do what is right for my patients because it is the ethical thing to do.							
5. I go above and beyond what is required to do what is right for my patients.							
6. When faced with ethical dilemmas in patient care, I consider how both my professional values and my personal values apply to the situation before making decisions.							
7. When I do the right thing for my patients, my motives are pure.							
8. I do what is right for my patients, even if it puts me at risk (e.g., legal risk, risk to reputation, etc.).							
9. I am determined to do the right thing for my patients.
