2017 Vanderbilt Symposium on Modeling Immunity

Thursday, April 27th
1:00pm – 4:30pm
1220 MRB III

Sarel Fleishman, Ph.D.

*Senior Scientist, Department of Biomolecular Sciences;
Martha S. Sagon Career Development Chair,
Weizmann Institute of Science*

Frank DiMaio, Ph.D.

*Assistant Professor,
Department of Biochemistry,
University of Washington*

Andrew Ward, Ph.D.

*Associate Professor, Department of Integrative Structural
and Computational Biology,
The Scripps Institute*

Ian Wilson, Ph.D.

*Hansen Professor of Structural Biology; Chair, Department
of Integrative Structural and Computational Biology,
The Scripps Institute*

Jens Meiler, Ph.D.

*Professor, Department of Chemistry
and Pharmacology,
Vanderbilt University*

James E. Crowe Jr., M.D.

*Professor, Department of Pediatrics and Pathology,
Microbiology, and Immunology;
Director, Vanderbilt Vaccine Center*

Workshop Organization Team: Heather Darling, Merissa Mayo, and Tawanna Peters
