Circle the number that shows how much control you generally think you have over these problems.

1 2 3 4
 None A little Some A lot

Below is a list of things that children and teenagers sometimes do, think, or feel when dealing with having seizures. Everyone deals with problems in their own way – some people do a lot of the things on this list or have a bunch of feelings, other people just do or think a few of these things.

Think of all the stressful parts of having seizures that you indicated above. For each item below, circle one number from 1 (not at all) to 4 (a lot) that shows **how much** you do or feel these things when you have seizures, like the ones you indicated above. Please let us know about everything you do, think, and feel, even if you don't think it helps make things better.

WHEN DEALING WITH THE STRESS OF HAVING SEIZURES:	How much do you do this?			
	Not at all	A little	Some	A lot
1. I try not to feel anything.	1	2	3	4
