Circle the number that shows how much control you generally think you have over these problems.

1	2	3	4
None	A little	Some	A lot

Below is a list of things that children and teenagers sometimes do, think, or feel when they are dealing with having had cancer. Everyone deals with problems in their own way – some people do a lot of the things on this list or have a bunch of feelings, other people just do or think a few of these things.

Think of all the stressful parts of having had cancer that you indicated above. For each item below, circle **one** number from 1 (not at all) to 4 (a lot) that shows **how much** you do or feel these things when you have problems related to having had cancer, like the ones you indicated above. Please let us know about everything you do, think, and feel, even if you don't think it helps make things better.
