e. Concerns about my family and friends.	1	2	3	4
f. Concerns about how much medical procedures will hurt.	1	2	3	4
g. Concerns about how sick treatments make me feel or getting sick again.	1	2	3	4
h. Feeling confused about what a brain tumor is and how I got it.	1	2	3	4
i. Missing school days or falling behind in school work.	1	2	3	4
j. Not understanding what doctors/nurses tell me about brain tumors.	1	2	3	4
k. Other: _____	1	2	3	4

Circle the number that shows how much control you generally think you have over these problems.

1 2 3 4
 None A little Some A lot

Below is a list of things that children and teenagers sometimes do, think, or feel when they are dealing with a brain tumor. Everyone deals with problems in their own way – some people do a lot of the things on this list or have a bunch of feelings, other people just do or think a few of these things.

Think of all the stressful parts of having a brain tumor that you indicated above. For each item below, circle **one** number from 1 (not at all) to 4 (a lot) that shows **how much** you do or feel these things when you have problems related to your brain tumor, like the ones you indicated above. Please let us know about everything you do, think, and feel, even if you don't think it helps make things better.

WHEN DEALING WITH THE STRESS OF A HAVING BRAIN TUMOR:	How much do you do this?
