### Instructions:

I am so impressed with everyone's dedication to the activities for this unit. As you know, we have a chapter quiz on July 15<sup>th</sup>. This unit has a lot of vocabulary words and I want to make sure that you feel prepared. Please use this Quizlet to practice these words.

I chose this activity because students are familiar with the platform and they seem to enjoy using Quizlets. In addition, flashcards are a good way to memorize information. I chose to make the flashcards about food because I also made my Edpuzzle and Flipgrid activities for this set of vocabulary, and I like the idea of all of the materials working together.
