

BLACK & LATINX QUEER STUDENTS IN STEM

HIRING PART-TIME RESEARCH ASSISTANTS

The Black & Latinx Queer Students in STEM study explores the educational experiences of **Black and Latinx LGBTQ+ students pursuing STEM majors** at historically white institutions and minority-serving institutions.

Funding provided by the National Academy of Education and Spencer Foundation.

Enrolled in a **master's or doctoral program**
(in or out of Vanderbilt University)

Commit **5-10 hours/week**
compensated at **\$20/hr**

Will conduct interviews, analyze data, and write reports of study findings for publication

Prior experience with conducting interviews is strongly recommended but not required.

Black and Latinx students are encouraged to apply.

To apply, send your resume/CV to

Dr. Luis Leyva

Assistant Professor of Mathematics Education
Peabody College at Vanderbilt University
