FAIR WEAR

LIMITED COLLECTIONS

Fair Wear, a boutique in Miami, releases 3 capsule collections every year. By limiting the number of clothes and styles we produce, we are able to buy locally and sell sustainably.

*Clothing, except for accessories, utilize organic cotton. All products are vegan and cruelty-free. Our original prices vary from \$50 - \$300, however on sale items are not limited to this range. Our average consumer profile are eco-conscious women from 16 - 35.
