## **VUSE Student Success & Resources**

---

### **Rule Breaker Screening**

On 3/4

Students are cordially invited to a special screening event hosted by Vanderbilt University's Institute for Surgery and Engineering (VISE).

On March 4th, from 6:30 PM to 9:30 PM, Vanderbilt will be hosting a screening of the upcoming film ***Rule Breakers***, which is inspired by the true story of Afghanistan's first all-girls robotics team. The event will occur at Vanderbilt's Sarratt Cinema with an introduction by **Camilla Benbow**, Patricia and Rodes Hart Dean of Education and Human Development at Vanderbilt's Peabody College.

Following the screening, there will be a panel discussion moderated by **Michael Miga**, the Director of VISE and Chair of the Department of Biomedical Engineering. The panel will feature:

- **Amber Afzali**, an actress who plays the character Esin in the film
- **Piper Cannon**, a Vanderbilt graduate student in mechanical engineering studying surgical robotics, a member of Women of VISE, and coach of the all-girls FTC robotics team at St. Cecilia Academy in Nashville
- **Bill Guttentag**, the Oscar-winning director of "Rule Breakers"
- **Laura Overdeck**, an educational philanthropist and Vanderbilt parent who is a producer on the film

This event is free and open to the public, but **registration is required**. Seats are available on a first-come, first-served basis. If you are interested in this event, please register as soon as possible.

---

## Mobile Photonics Lab Experience

On 3/4 & 3/5

Hello Everyone!

On March 4th and 5th from 10am - 4pm, Thorlabs, Inc. is bringing their Mobile Photonics Lab to Vanderbilt with over 3000 pounds of photonics equipment on board! Discover how photonics is used in nearly every branch of science and engineering. Directly engage with current employees with years of experience and gain insight into photonics, applications, or career opportunities in the field.

Day 1: Experience several applications of light through fun, hands-on demos with cutting edge technology and equipment.

Day 2: Come experience an advanced application of light with a demo using Optical Coherence Tomography (OCT) Imaging! **Spots are**

**limited** so register in advance with the QR code below!

If you would like to learn more about the Thorlabs mobile lab experience, please visit their [website](#) where you can also find photos of past events.

You can also learn about the departments, centers, and institutes at Vanderbilt with photonics and optics opportunities from faculty and members of student chapters that will also be there.

Hope to see you there!

P.S. Free T-shirts and snack boxes!

**Mobile Photonics Lab Experience**

**THORLABS** In partnership with **Biophotonics Center**

**Who Are We?**  
 The Thorlabs Mobile Photonics Lab offers students a **hands-on experience** with photonics equipment used to measure, study, and harness the power of light. Guided by current Thorlabs employees, students are introduced to key photonics concepts, gain insight into potential careers, and engage with individuals that have years of experience working in the field.

Talk to our student chapters and faculty to learn how to build your career in Photonics

**Join Us March 4<sup>th</sup> and 5<sup>th</sup>!**

10 AM - 4 PM | Located on **Stevenson Center Courtyard**

**Schedule**  
**Tuesday 3/4** - Intro to Photonics Experience, 10 AM - 4 PM  
**Wednesday 3/5** - OCT Imaging Experience, 10 AM - 4 PM. Registration Required (Space is Limited)

**VANDERBILT UNIVERSITY**  
**Departments & Centers/Institutes with Photonics and Optics Opportunities**

- Biomedical Eng • Electrical & Computer Eng
- Physics • Chemistry
- Mechanical Eng • Chemical & Biomolecular Eng
- VINSE • VBC

# Bain and Company March Campus Visit Events

On 3/20

Bain and Company, a leading strategy consulting firm globally, is excited to be returning to campus for their annual Spring Visit **Thursday, March 20th**. They will be hosting a slate of events, ranging from coffee chats with students in the morning to a focused company panel the same evening.

Registration for these events can be found at the link below and are posted on Handshake. Please note that students who are interested in attending these events must respond on the Bain website using the links below—

registering on handshake alone will not reserve a coffee chat slot! See the attached flyer for additional information.

<https://www.bain.com/careers/work-with-us/students/vanderbilt/>

Events on Thursday, March 20:

- **Coffee Chats:** 10:00am – 12:00pm in SLC meeting rooms 1, 2, and 3 (20 minute slots)
- **Bain Deep Dives - Panel + Q&A:** 12:00 – 1:00pm in Alumni Hall Room 202
- **Company Presentation:** 5:30 – 6:30pm in Alumni Hall Room 201

**THERE'S A PLACE FOR YOU HERE**

Commodores love it here! Bain & Company, one of the world's top-tier strategy consulting firms, brings together the brightest and most curious minds into one global team where anything is possible.

We will be on Vanderbilt's campus on March 20. Students must register for events at <https://www.bain.com/careers/work-with-us/students/vanderbilt/>

<b>Coffee Chats</b> 10:00AM-12:00PM SLC meeting rooms 1, 2, & 3	<b>Bain Deep Dives: AI, Private Equity, and Case Prep</b> 12:00 PM-1:00 PM Alumni Hall room 202	<b>Company Presentation</b> 5:30 PM-6:30 PM Alumni Hall room 201

## Sustainability Career Fair

On 2/26

Looking for a job related to sustainability? Students Promoting Environmental Awareness and Responsibility (SPEAR) is excited to host its inaugural Sustainability Career Fair! This booth-style event will host companies and programs offering opportunities and sharing information in renewable energy, environmental consulting, sustainable agriculture, nonprofits, law, and more! The fair will take place on **Wednesday, February 26th** from **6-8 PM** in the **Central Library Community Room**. Contact [isha.shukla@vanderbilt.edu](mailto:isha.shukla@vanderbilt.edu) if you have any questions.

---

## Design Studio Mentor Applications

Apply to be a Mentor at the Design Studio!

- Help others!
- Apply your learning and learn some more!
  - Flexible Hours (2 hours/week)!
  - Get 24/7 access to the Design Studio!

Applications are open! Scan the QR Code to get started!

## Live. Learn. Lead Symposium

On 2/28

Hey everyone! The **Live. Learn. Lead. Symposium** hosted by the Office of Undergraduate Education is right around the corner! Join us on Friday,

Feb. 28th in the Carmichael College Conference Center for a day of leadership training and learning from guest speakers, including General Paul Nakasone, US Army, Ret., the inaugural director of VU's Institute of National Security. The flyer below has more details!

There are sessions from 11:15am to 4:00pm with a concluding networking reception in the Carmichael Great Room that will have refreshments, door prizes, and plenty of new connections from 4:15 - 5:30pm. Feel free to come and go as it fits your schedule best. There will be fun giveaways and catered food for all attendees!

Please REGISTER here:

<https://forms.office.com/pages/responsepage.aspx?id=OX9aur7js0q0UGf6gPrsrZQymIYZGfJIp3oJRlefCmVUNUhURjlWMUdVUUFFUDc4M1QyQjJCMUpTUC4u&route=shorturl>

The poster features a black background with the text "Live. Learn. Lead. SYMPOSIUM" at the top. Below this is a photograph of three young women sitting at a table, smiling and talking. The date "28 FEBRUARY" is displayed in a gold box on the left. The event details "10:00 AM - 5:45 PM Carmichael Conference Center Vanderbilt University" are listed in the center. A schedule of activities is provided at the bottom, including a lunch with General Paul Nakasone, a session on thriving as a leader, a team cultivation session, and a networking reception. A QR code for RSVP is located on the right side.

**Live. Learn. Lead.**

**10:00 AM - 5:45 PM**  
Carmichael Conference Center  
Vanderbilt University

**12:00 - 1:30 PM:**  
General Paul Nakasone  
Lunch

**1:45 - 2:45 PM:**  
Cultivating Dynamic  
Teams

**3:00-4:00 PM:**  
Thriving as a Leader in  
Challenging Times

**4:15 - 5:30 PM:**  
Networking Reception

**RSVP HERE**

## Scholarship Opportunities

Due 3/1

**For students studying or interning abroad during Summer or Fall 2025 or full AY 2025/26:**

- **Freeman-ASIA Scholarship\*** supports undergraduate US citizens with demonstrated financial need to study or intern in East or Southeast Asia during Summer 2025 or AY 2025/26. Funds can support tuition, program expenses, airfare, living expenses, local transportation, books, etc.
  - **Priority Deadline: March 1**

For additional information, please reach out to [fellowships@vanderbilt.edu](mailto:fellowships@vanderbilt.edu) or join us for “Exploring Fellowships” drop-ins. Dates/times/locations available on Handshake.

# Beyond Internship

Due on 3/5

---

# Tennessee Engineering Foundation (TEF) Scholarship

Due on 3/14

The Tennessee Engineering Foundation (TEF) is excited to announce its 2025 scholarship opportunity for engineering students across Tennessee, and we would love your help in encouraging eligible students to apply!

About the Tennessee Engineering Foundation:

TEF is a nonprofit organization committed to nurturing the future of engineering by providing financial support to students who aspire to make a difference through innovative engineering solutions. This scholarship is aimed at helping dedicated engineering students achieve their educational goals and advance toward impactful careers in the field.

#### Scholarship Details:

The TEF scholarship awards four (4) \$3,500 scholarships to students attending a college or university in Tennessee, who demonstrate academic potential and a passion for the engineering industry.

#### Eligibility Requirements:

- Must be enrolled as a Freshman, Sophomore, Junior, Senior, Fifth-Year Senior, or Master's student in Fall 2025.
- Major in one of the following areas: Aeronautical Engineering Technology, Aerospace Engineering, Agricultural Engineering, Bioengineering, Biomedical Engineering, Chemical Engineering, Civil Engineering, Drafting/Design Engineering Technology, Engineering Management, Environmental Engineering, Mechanical Engineering, Mining Engineering, Nuclear Engineering, Petroleum Engineering, Surveying and Geomatics Engineering, Systems Engineering, or related fields.
- Be a U.S. Citizen.
- Enrolled in a Tennessee college or university for the 2024-25 academic year.

#### Quick Facts:

- Application Deadline: March 14, 2025
- Award Amount: Four (4) \$3,500 - Scholarships

We encourage you to share this opportunity with students who may benefit from the scholarship and align with its requirements. For more details and to apply, students can visit [www.acectn.org/scholarships](http://www.acectn.org/scholarships) or reach out to Kasey Anderson ([kanderson@acectn.org](mailto:kanderson@acectn.org)).

---

## Levy Internship Fund

Apply by 3/16

## LEVY INTERNSHIP FUND

### Need Funding for Your Summer Internship?

The Levy Internship Fund provides eligible Students with up to \$6000 for un(der) paid summer internships! Funding can be used for housing costs, meals, transportation costs, professional attire, and any necessary expenses to complete a successful internship.

Eligibility information and the link to apply through [Award-a-Dore](#) (search "Levy"), can be found on our website or by scanning the QR code below!

Submit a full application  
by Sunday, March 16th.

---

# University Pathway Program

The poster features the Vanderbilt University logo in the top left and the Waters logo in the top right. Below the logos, a paragraph describes Waters Corporation as a leading specialty measurement company. The central part of the poster is titled 'Waters University Pathway Program' and includes a four-step process diagram: Internship (laptop icon), Mentor (handshake icon), Educational Award (award icon), and Employment (person icon). Below the diagram, text states that Waters is seeking STEM students and lists benefits: a summer internship, a dedicated Waters mentor, and guidance toward an employment offer. A QR code is provided with the instruction 'Scan the QR code to apply!'. At the bottom, a blue bar contains the contact information for Jess Lee.

**V**  
VANDERBILT  
UNIVERSITY

Waters™

Waters Corporation is the world's leading specialty measurement company focused on improving human health and well-being through the application of high-value analytical technologies and industry leading scientific expertise.

### Waters University Pathway Program

INTERNSHIP → MENTOR → EDUCATIONAL AWARD → EMPLOYMENT

In partnership with Vanderbilt University, Waters is seeking students pursuing degrees in STEM to apply for the Waters University Pathway Program which includes:

- A summer internship
- A dedicated Waters mentor
- Guidance to work toward an employment offer upon graduation

Scan the QR code to apply!

Questions? Reach out to Jess Lee (Jess\_Lee@Waters.com)

# VINSE's 2nd Friends & Family Day

## On 4/5

We are excited to invite you and your family to [VINSE's 2nd Friends & Family Day](#), happening on Saturday, April 5, 2025 from 1:00 PM to 4:00 PM at the Engineering Science Building on the Vanderbilt Campus.

After the success of our inaugural event in 2022, we are thrilled to bring this interactive and educational event back! It's a wonderful opportunity for students, families, and the larger Nashville community to learn about the fascinating world of nanoscience through hands-on demonstrations, facility tours, and more. [Register Here](#)

Event Highlights:

- **Hands-on Science Demonstrations:** Explore engaging topics like microscopy, graphene transfer, light diffraction, ferrofluids, and more!
- **Tours of VINSE's Core Facilities:** Step inside our Cleanroom (12 and older), Advanced Imaging Suite, Analytical Lab, and 3D printing facility.
- **Family-Friendly Fun:** Participate in cleanroom gown dress-up stations, take photos with cleanroom cutouts, and enjoy a cleanroom window tour.
- **Food & Prizes:** Enjoy Ben and Jerry's ice cream, snacks and enter to win exciting door prizes.

Discover Answers to Fun and Fascinating Questions:

- How did a researcher win a Nobel prize with a pencil and tape?
- Can something be both a liquid and a solid?
- How can scientists make a nickel look like a penny?
- How do you keep sand dry in a bucket of water?
- And much more!

It's a great opportunity to explore the wonders of nanoscience in a fun and interactive setting!

## Power the Community Competition

Deadline on 4/15

**POWER THE COMMUNITY 2025**

**AN INTERNATIONAL COLLEGE DESIGN COMPETITION**

Join the global challenge to design sustainable energy infrastructure for your community!

REGISTRATION BEGINS AUGUST 15, 2024

REGISTER NOW & WIN \$31,000

**DESIGN THE FUTURE OF ENERGY**

- 1 Showcase your skills and creativity in sustainable energy solutions
- 2 Offers certifications
- 3 Learn & build network

**COMPETITION DETAILS**

- 1 Open to students worldwide
- 2 Registration deadline March 15, 2025
- 3 Project submission deadline April 15, 2025
- 4 Judged by Industry experts and professionals

SCAN AND PARTICIPATE NOW!

[www.energymentors.org](http://www.energymentors.org) [info@energymentors.org](mailto:info@energymentors.org)

Win big in the Power the Community competition! With a \$31,000 prize pool and a deadline of April 15, 2025, this is their chance to stand out in energy and sustainability.

[Register now](#)

# The Order of the Engineer

RSVP Today

The Order of the Engineer was initiated in the United States to foster a spirit of pride and responsibility in the engineering profession, to bridge the gap between training and experience, and to present to the public a visible symbol identifying the engineer.

The Order is not a membership organization; there are never any meetings to attend or dues to pay. Instead, the Order fosters a unity of purpose and the honoring of one's pledge lifelong.

Seniors – RSVP for your spot today for the Order of the Engineer Induction Ceremony

Questions? Contact the VUSE Office of Student Success

## ACEC Research Institute

- The ACEC Research Institute is the leading source of knowledge and thought leadership for creating a more sustainable, safe, secure, and technically advanced built environment. The Institute's mission is to deliver information and business strategies that guide and elevate the engineering industry through research, forecasts, trend analysis and academic scholarships.

Through the ACEC Research Institute scholarship portal, qualified students have access to more than 100 scholarships totaling nearly \$1 million in grants, including:

- A \$5,000 NCEES Scholarship specifically for students from Tennessee
- A variety of diversity and inclusion scholarships, including those for HBCUs
- Both merit-based and need-based opportunities

The portal will automatically match students with ALL scholarships available to them based on their completed application. Application deadlines vary, so students are encouraged to apply today!

You can share the attached graphic and the following link with your students to help spread the word:

<https://acecinstitute.awardspring.com/>

For more information or support, please feel free to reach out to me. Thank you for your time and assistance in helping us empower the future generation of engineers.

The advertisement features a dark blue background with a yellow curved header on the right. The ACEC Research Institute logo is in the top left, and the text 'Scholarship Program' is in the top right. A central photograph shows a group of people on a stage, with one person receiving an award. Text on the left states: 'Qualified engineering students have access to more than 100 scholarships totaling nearly \$1Million.' Below this, it says 'Students can receive up to a \$15,000 Scholarship'. A yellow button with the text 'APPLY TODAY!' is positioned below the text. At the bottom, the website 'acecinstitute.awardspring.com' is listed. Fine print at the very bottom provides details about the application deadline (March 14, 2025) and eligibility requirements.

---

## iX VUSE

Are you interested in gaining global work experience through an international internship?

Imagine working on cutting-edge projects, like developing machine learning models for a cancer research company, while enjoying the stunning views of Cape Town's beaches and mountains. This was my reality this past summer, and it could be yours too!

My name is Michael Davis, and I am a junior here at Vanderbilt majoring in Biomedical Engineering and following the premed track. Last summer, I had the incredible opportunity to participate in an internship and professional development program in Cape Town, South Africa. iXperience, collaborates with various local companies in South Africa, providing students with a unique industry experience while helping them build their résumés. While I participated in their Data Science program, they also offer opportunities in consulting, investment banking, and digital marketing.

If this resonates with you, feel free to email me: [michael.a.davis@vanderbilt.edu](mailto:michael.a.davis@vanderbilt.edu) and explore the opportunities on the [website linked here!](#)

---

# Engineering Focus Areas

Did you know you could declare a new area of specialization? [Focus areas](#) provide guidance to students wishing to concentrate on a specialized topic within engineering. Focus areas are typically nine credit hours, and qualifying courses are listed in the catalog. Scan the QR code to learn more!

**ENGINEERING FOCUS AREAS**

**GRADUATE FROM VANDERBILT WITH  
A NEW SPECIALIZATION**

**INCLUDING:**

- Human Computer Interaction
- Microelectronics
- Nanotechnology
- Strategic & Technical Consulting
- Engineering Communications
- Entrepreneurship
- Product Development

**ONLY 3  
CLASSES**

**TO DECLARE A FOCUS AREA:**  
Visit the [Engineering Forms Webpage](#)

**SCAN HERE FOR MORE INFORMATION**

The graphic features a light green background with blue molecular structures at the top. It includes a yellow lightbulb icon above the 'INCLUDING:' section, a test tube icon to the left of the list, and a beaker icon to the right. A yellow starburst contains the text 'ONLY 3 CLASSES'. At the bottom, a green arrow points left towards a circular QR code.
