Fulbright Info Sessions

The Vanderbilt Fellowships Team is excited to share that two different Fulbright programs have upcoming info sessions! Please share this information with any students you believe may be interested in either.

The Fulbright UK Summer Institutes offer first & second-year students** the chance to spend the summer studying in the United Kingdom. The program is open to students across all majors who have at least a 3.6 GPA at the time of applying

The UK Fulbright Commission is hosting a virtual information session for all students interested in the Summer Institutes on Tuesday, November 18th at 11am CDT. The registration link can be found [here](#).

The Fulbright US Student Program places students** & alumni as US cultural ambassadors in 140+ countries, funding a year of one of the following:

- English Teaching Assistantships (ETAs) in the Americas, Europe, Asia & Africa
- Research across disciplines & Arts + Creative Projects on 6 continents
- Graduate Study in Europe, Asia, Australia, New Zealand & the Americas

The Institute of International Education is hosting a virtual information session for all students interested in the Fulbright US Student Program on Wednesday, November 19th at 1pm CDT. The registration link can be found [here](https://apply.iie.org/register/11.19.2025_GPS_2): https://apply.iie.org/register/11.19.2025_GPS_2

Registered participants will receive a recording of the event and additional information about Vanderbilt's 2026 Fulbright nomination process, which begins in Spring 2026.

****Note:** As a federally funded program, Fulbright US Student Program funding is limited to US citizens. Fulbright Foreign Student Program eligibility varies by applicants' home country. ******
