**HERE'S THE STORY OF
OUR LOVELY ADVISOR...
DR. ERIN BARTON!**

THE BARTON BUNCH

ERIN BARTON, PHD, BCBA-D

Her primary research interests include...

Identifying effective and efficient ways to support young children and their families and the early childhood workforce

Identifying socially valid goals and ways to measure social validity.

Deepening our understanding of procedural fidelity and what that means for how we coach families and practitioners.

THE BARTON BUNCH

ERIN BARTON, PHD, BCBA-D

Her goals for our lab include...

To conduct more studies with FBSApp and to get it on the App Store for families to access

To continue developing strong self-love practices for ourselves

To expand our Actively Anti-Racist work

To identify more problems of practice that we can examine
