# SELF-PORTRAITS

## Possible Supplies

Pencils, paper,  
crayons, markers

Glue, tissue paper,  
clay, beads, stamps

## Suggestions

Have children draw,  
sculpt, or create a self-  
portrait in any way

Children can write and  
draw things about  
themselves in their portrait

# SUPPORT AND CONNECT

Display visual examples of other portraits and model creating your own

Point out characteristics in the portraits that children share and those that are different

Encourage conversations between children about their portraits

Remind children that despite differences, we are all human and should receive kindness and respect

# SHARE WITH US

Display children's  
self portraits and  
encourage further  
self reflection!

Share your  
experiences and  
with us!  
**#bartonlabshares**

Collaborate  
with coworkers  
and share  
ideas with us!
