

FUN FRIDAY

COOPERATIVE CONSTRUCTION

**Build more than just
social skills with this
fun activity!**

FUN FRIDAY

COOPERATIVE CONSTRUCTION

WHAT IS IT?

Building together: Collaborating on one project requires communication, listening, negotiation, and other important social skills.

WHAT DO I NEED?

Any building materials (ex: blocks, Legos, magnets)

FUN FRIDAY

HOW TO BUILD

**Celebrate! Give positive
descriptive feedback**

**Prompt appropriate
communication**

**Practice
compromising**

**Take turns putting
pieces on**

**Practice asking appropriately (ex:
for more pieces, to change piece)**

**Share the same
materials**

**Use pretend play skills
when creating**

**Choose something to
build together**

FUN FRIDAY

SHARE WITH US!

What did you build?

**What social skills
did you use?**

**How did you adapt
this activity?**

**TAG US IN YOUR POSTS AT
#BARTONLABSHARES**
