**FUN FRIDAY**

# **A SOCIAL SKILL ACTIVITY**

**Asking questions is a great way to  
start and sustain conversations**

**"Would you rather?" gives children  
the opportunity to answer the  
question and then ask a friend the  
same question**

**Children may explain why they  
chose their answer, providing the  
opportunity for children to get to  
know each other and develop  
friendships**
