

Fun Friday

Scavenger Hunt

**Swipe for items
your child can
find on their
adventure**

What to look for:

2 things that are yellow

Something you write with

Something that rolls

A book with numbers

Something that breathes

Something that makes noise

Something you cook with

Something that makes you happy

Something that starts with the letter G

Something that feels hard

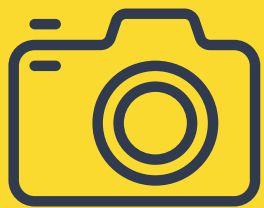

Something shiny

When the mission is complete:

Take a picture of all the cool stuff your child found on their adventure

Have your child talk about the items they found (ex: where they found them, what the item does)

Do a celebration dance for completing the mission!
