PENGUINS

How many penguins can you find?

What makes them the same as each other? Different?

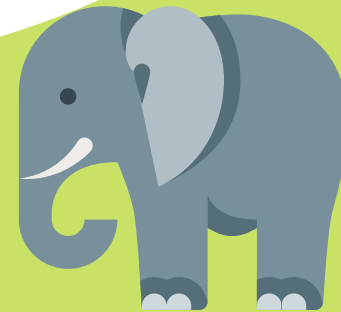

Penguins' feathers are slick so they can swim in the water. What else can swim in the water?

ELEPHANT

Make a trunk with your arm and do your best elephant impression.

Elephants scoop their food with their trunk. Use your arm to try to scoop like an elephant!

Elephants live in big groups. Who would you want in your group?

KOALA

Koalas sleep for 22 hours a day! What would you do if you were awake only 2 hours a day?

Koala's have pouches in their stomach to hold their babies. Use your shirt to make a pouch and see what you can fit!
