

# ***FUN FRIDAY***

Take a trip with us to Mars and  
explore using the Curiosity  
Rover

# FUN FRIDAY

YOUR MISSION:  
EXPLORE MARS

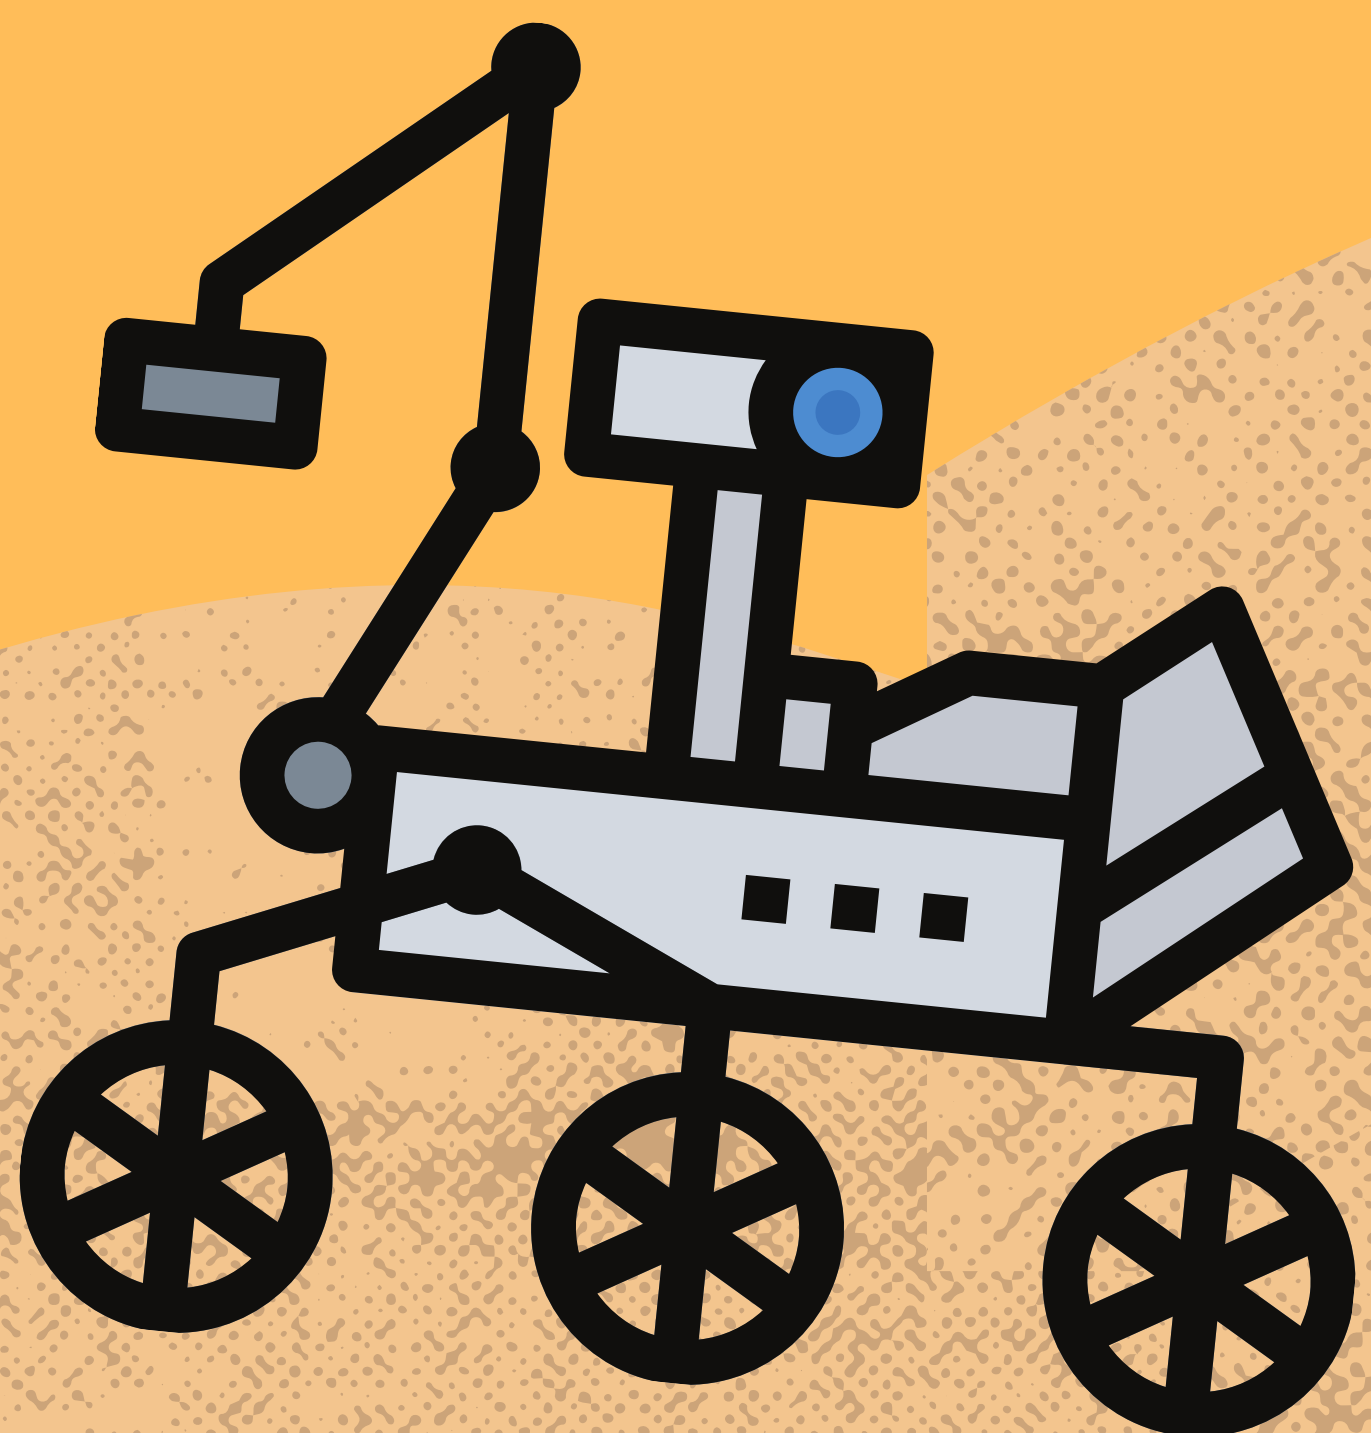

## STEP 1: REPORT FOR DUTY

Go to <https://accessmars.withgoogle.com/>

Enter 360 view to see how the Curiosity landed and what the rover sees on Mars!

Click on Curiosity to learn more about all of its parts!

# FUN FRIDAY

YOUR MISSION:  
EXPLORE MARS

## STEP 2: BE A SCIENTIST

### OBSERVE

What do you see?  
What colors are there?  
What is on the ground?  
In the sky?

### ASK QUESTIONS

What is the same as  
outside your  
window? Different?  
Would you live on  
Mars?

### FORM HYPOTHESES

Example: Mars is different than  
Earth because it does not have  
water. This makes it dry.

# FUN FRIDAY

YOUR MISSION:  
EXPLORE MARS

## READY FOR ANOTHER MISSION?

Go to NASA Fun Zone for:

- ◆ Online games
- ◆ Maps
- ◆ Coloring sheets
- ◆ Kid-friendly information pages
