

Fun Friday

**The Museum of
Flight**

**Swipe to take flight on your
virtual plane**

Fasten your Seatbelt

Click on "Explore the Museum"

Select a category

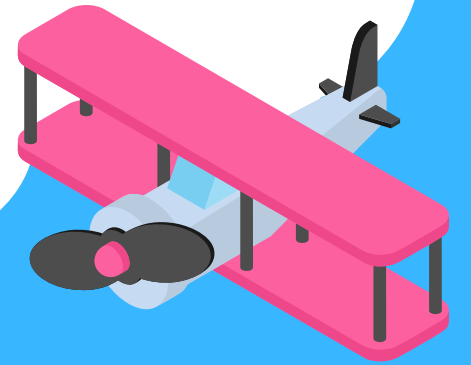

Click on an option to see pictures and learn more!

Activity idea: have the child draw their own version of the plane or spacecraft!

Prepare for Takeoff

Click "[Virtual Museum Online](#)" for 360 views of different aircrafts and spacecrafts

See floor plans and "walk through" many different planes and space ships such as:

- The Boeing 247D- the first modern airliner
- The Concorde- a British jet
- The NASA Full Fuselage trainer and more!

Now Boarding: Fun Times!
