

FUN FRIDAY

RHYME

TIME

Use this fun game to practice turn-taking and encourage vocabulary exploration!

RHYME TIME

What is it?

Gather children in small groups

Get a ball or other item to use as the "turn ball"

Start off with a word (ex. cat, ball) and encourage children to share a word that rhymes when they are holding the ball

Have children come up with new words when they run out of rhymes!

SUPPORTING SKILLS

Give children positive feedback when they rhyme

Remind children to wait until it is their turn to share their word

Have a list of words and visual supports (pictures) ready to promote children's engagement

CONNECTION TO LEARNING

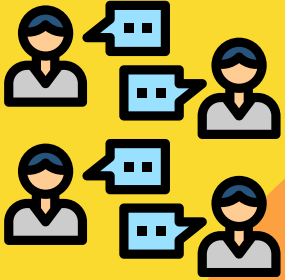

Strengthens vocabulary and introduces children to new words

Teaches children to listen and attend when others' are talking
