ALL ABOARD...

Go to Virtual Tours under
Collections

Click on a train

Get a 360 view of what's
inside!

Explore the different
rooms: cabins, kitchen,
locomotive, and more!

...THE LEARNING TRAIN

Learn new vocabulary:

Give kids a definition of new words in simple terms and show them the examples and a non-examples

Ex: locomotive, lounge, engine

Create a story:

What would your train look like?
What would it have inside? Would you drive it or be a passenger?
Where would you go?
