ANNOUNCEMENTS

Are you interested in a career in science policy? Have you thought about applying for the **AAAS Science & Technology Policy Fellowship Program**? Join us for this [informative virtual roundtable discussion](#) on

Friday, May 15, with Amrita Banerjee, and Meagan Postema, who have both most recently completed application and interviewing process for this prestigious program. Details [here](#).

The ASPIRE Team is still here... virtually of course! If you need a CV/Resume review or an individual appointment, the ASPIRE team is here for you. [Complete this form](#) and someone will be in touch very shortly. We can help you navigate career decisions or review your CV, resume, cover letter, biosketch, or LinkedIn profile. Let us know!

The easy answer to “**When should I submit an NRSA fellowship?**” is “now”. But what factors need to be considered when deciding the best time? [Read more](#) about deciding when to submit an NRSA fellowship.

Kansas University is accepting applications for the [KU IRACDA Postdoctoral Fellowships for Fall 2020](#). The NIH will fund fellows for three years of mentored research in a KU faculty lab. [Learn more](#) about this unique postdoc opportunity.

Want to help out another university as they **measure and study the opaque process of the faculty job market**? [Learn more](#) and take the University of North Dakota survey.

If you have an interest in medical education, medical and healthcare communications, and medical publishing activities within the pharmaceutical industry, **MedComm** might be of interest to you. They are offering series of free webinars on related topics, available now and weekly. [Learn more.](#)
