ANNOUNCEMENTS

Did you enjoy the virtual 2020 ASPIRE Career Symposium on May 29? Would you like to join the **2021 ASPIRE Symposium Committee**? Email kate.stuart@vanderbilt.edu for more details and how to participate.

The NIH has extended course dates and registration for the 2019-20 **Introduction to the Principles and Practice of Clinical Research (IPPCR)** course so the ASPIRE Program is reopening applications! Please see the course information [linked](#) and be sure to register with us and the NIH.

This summer, the **Vanderbilt Writing Studio** will offer weekly writing groups for graduate/postdoc writers. Also, the Writing Studio is piloting a new writing workshop group option for graduate and postdoc writers who are interested in a more feedback-oriented writing group experience. If there is sufficient interest, workshop groups will allow advanced writers to obtain

weekly feedback on their writing projects from other group members over the course of the 8-week program. [Learn more.](#)

So...how do we network now? Check out this podcast: [Hello Monday with Jessi Hempel.](#) Entrepreneur and LinkedIn co-founder Reid Hoffman joins Jessi to help her and the Hello Monday audience make sense of virtual networking. He offers tangible, actionable tips for how we can all be better at it, right now.

This summer, Postdoc Academy will be hosting an online course called **[“Succeeding as a Postdoc,”](#)** beginning June 22. This 5-week course will help postdocs create a rewarding experience that will launch them into their chosen career path.

Interested in a research career in government? The [National Academies of Sciences, Engineering, and Medicine](#) sponsors awards for postdoctoral and senior researchers at [participating federal laboratories and affiliated institutions.](#) The current deadline opened June 1 and closes August 1.

The National Cancer Institute (NCI) Cancer Prevention Fellowship Program (CPFP) is now accepting applications for [Cancer Prevention Fellows.](#) This unique postdoctoral training opportunity is perfect for scientists and clinicians with an interest in cancer prevention.

The ASPIRE Team is still here... virtually of course! If you need a CV/Resume review or an individual appointment, the ASPIRE team is here for you. [Complete this form](#) and someone will be in touch very shortly. We can help you navigate career decisions or review your CV, resume, cover letter, biosketch, or LinkedIn profile. Let us know!
