ANNOUNCEMENTS

We have extended the application deadline for the **[ASPIRE to Innovate Postdoctoral Fellowship Program](#)**. If you are interested in this exciting opportunity, be sure to submit by noon, Monday March 22.

During the 2021 VITA symposium on April 15 there will be a three-hour Scientific Communication

Training from the **Alan Alda Center for Communicating Science** with limited spots available for current postdoctoral fellows. **If you would like to participate in this workshop, [please review all details and apply!](#)**

The next session of the Margaret Cuninggim Women's Center Women in the Academy Series will be on [Women's Leadership in the Academy](#) on March 24.

The Vanderbilt Graduate School will be hosting (2) half-day day [Bias Awareness & Intervention workshops](#) this Friday. (a morning session and an afternoon session). The workshops will be facilitated by PowerPlay & Incluxion Works Inc. and will create a safe, interactive space for participants to explore bias and the strategies that can be employed to respond in those difficult moments.

The [Vanderbilt Data Science Institute](#) workshops for continue this month and into April. Be sure to check out the schedule!

The [Middle Tennessee Science and Engineering Fair](#) will take place virtually this year on Saturday April 10. Many career scientists have said that one of the most significant experiences in their youth was their interaction with a science fair judge, so consider volunteering to participate as a judge!

The [Missouri Science and Technology \(MOST\) Policy Fellows Program](#) applications are due today! MOST Policy Fellows serve as informal science advisors to the Missouri General Assembly covering a variety of science and technology-related policy topics

Learn about [Women@BCG](#) firsthand from a panel of You will learn about our global best-in-class career development, mentorship, networking programs to help you excel – personally and professionally.

The [Curriculum Fellows Program at Harvard Medical School \(HMS\)](#) is accepting applications for our 2021 cohort of postdoctoral curriculum fellows. Curriculum Fellows work with HMS faculty and the administration to develop, deploy, and evaluate evidence-based graduate biomedical education and training.

The NASW Grants Committee is now accepting applications for a new round of [Peggy Girshman Idea Grants](#). Applications are due on Wednesday, March 31, 2021.

Join the upcoming webinars about science communication from [the Alan Alda Center for Communicating Science](#). Webinars bring leading researchers and science communication experts from around the world together for robust and engaging conversations.

[**Skills for Health and Research Professionals \(SHARP\) summer program**](#) registrations are open. These 2-3-day trainings provide immediate take away skills for investigators at all career levels, from any institution.

Applications are open for [**Yale Ciencia Academy \(YCA\) for Professional Development**](#), an NIH-funded (1R25GM114000) program that equips grad students with the knowledge, skills, and networks to advance their careers and secure great postdoctoral positions aligned with their professional goals.

Learn more about the [**EPIC Postdoc Bootcamp**](#) via UC San Diego on March 15, 18, 22, and 25, from noon-4pm Pacific. This 16 hour professional development event is designed for postdoctoral scholars at the beginning of their training to help them make the most of their postdoc experience and establish a foundation for their future career success.

Participate in the [**Machine Learning in Genomics: Tools, Resources, Clinical Applications, and Ethics Workshop**](#), held virtually on Tuesday, April 13 – Wednesday, April 14, 2021. The meeting is organized and hosted by the NHGRI Genomic Data Science Working Group.

[**PASIFIC**](#) is a new fellowship program searching for applicants. PASIFIC is addressed to scientists with PhD or four years of research experience who would like to work in one of the institutes of Polish Academy of Sciences. Applications close on June 30th.

The National Institute of Allergy and Infectious Diseases (NIAID), is seeking motivated and highly qualified applicants for the [**NIAID Technology Transfer Fellowship Program \(TTFP\)**](#) in the Technology Transfer and Intellectual Property Office (TTIPO). TTIPO advances development and commercialization of NIAID and Centers for Disease Control and Prevention (CDC) inventions.

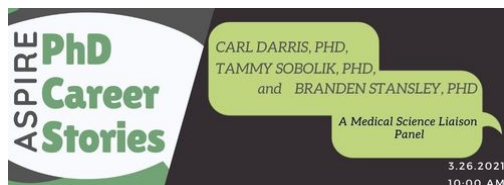

National Research Mentoring Network NIH Grant Writing Webinar: [**“Best Practices for Junior Investigators When Writing an NIH Research Grant Application”**](#)

The [**IRACDA@UCLA**](#) program supports postdoctoral scholars in basic and applied biomedical life sciences and biochemistry who have a demonstrated interest in teaching, research, and supporting diversity in science, technology, engineering, and math (STEM) fields.
