Office of Career Development

VIRTUAL OFFERINGS OF THE FORTNIGHT

[CV/Resume Drop-in Clinic](#) and [Individual Appointments](#) are virtual!

ANNOUNCEMENTS

Check out the most recent ASPIRE Internship, now accepting applications. The intern will work under Karisa Calvitti, Social Media Coordinator, Vanderbilt Institute for Infection, Immunology & Inflammation (VI4) and the Department of Pathology, Microbiology and Immunology to execute creative communication strategies around Twitter and websites, interpret data to design infographics and animation, and complete writing assignments. [Learn more about the Science Communication internship.](#)

The [National Biosafety and Biocontainment Training Program \(NBBTP\) Fellowship](#) is a partnership between the Division of Occupational Health and Safety (DOHS) and the National Institute of Allergy and Infectious Diseases (NIAID) at the NIH. This is a rare opportunity for individuals seeking work in high containment facilities to receive professional training in biosafety and biocontainment at one of the foremost biomedical research centers in the world.

The [Christine Mirzayan Science & Technology Policy Graduate Fellowship Program](#) provides Fellows with the opportunity to spend 12 weeks learning about science and technology policy and the role that the scientific, engineering, and medical communities play in advising the nation, partner with senior staff mentors to conduct literature reviews, write background papers, and analyze data, and have numerous opportunities to attend meetings and events outside of the National Academies. [Learn more.](#)

The ASPIRE Team is here for you... virtually of course! If you need a CV/Resume review or an individual appointment, the ASPIRE team is available all summer and beyond. [Complete this form](#) and someone from the ASPIRE team will be in touch shortly. We can help you navigate career decisions or review your CV, resume, cover letter, biosketch, or LinkedIn profile.
