ANNOUNCEMENTS

**PhD Career Connections:
Entrepreneurship**

Featuring Margaret Read, PhD
General Manager, Corporate Alliances
Vanderbilt Center for Technology Transfer and Commercialization

Friday February 15 • 10:00 am • Light Hall 214

February's PhD Career Connections will focus on **Entrepreneurship** and feature Dr. Margaret Read, PhD, General Manager of Corporate Alliances with the Vanderbilt Center for Technology Transfer and Commercialization (CTTC). Read Dr. Read's bio and event details [here](#).

Whitsell Innovations is a woman-owned, full-service medical and scientific writing company focusing on the needs of pharma, biotech, and device industries. [WI's internship program](#) is currently accepting applications, and today you can learn more at the Vanderbilt [webinar](#) for PhD students and postdocs interested in learning more about the industry and the internship.

The **Association of Clinical Research Professionals (ACRP)** annual conference is in Nashville (!!) this spring and they are [seeking volunteers](#) to help at the conference, April 12-15.

The **Vanderbilt Scientist in the Classroom Partnership (SCP) Program** is currently recruiting fellows (postdoc or graduate student) for a weekly outreach opportunity with the local schools for the 2019-2020 school year. The fellow co-teaches with a classroom teacher one day per week and earns a stipend of \$7000 on top of their current salary.

The **Insight Fellows Programs** are tuition-free fellowships for graduating students looking to transition to advanced careers in data and engineering. [Learn more.](#)

Did you know there are a number of **science-related internships and fellowship opportunities at the NIH**, including positions related to tech transfer, bioethics, health communications, biosafety, and more? Learn more through our [comprehensive blog post](#).
